

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 83RD LEGISLATIVE REGULAR SESSION

April 5, 2013

TO: Honorable Harold V. Dutton, Jr., Chair, House Committee on Urban Affairs

FROM: Ursula Parks, Director, Legislative Budget Board

IN RE: **HB2152** by Callegari (relating to fees charged to certain recreational vehicle parks.),
Committee Report 1st House, Substituted

No significant fiscal implication to the State is anticipated.

The bill would amend the Water Code to provide that a municipally owned utility that provides nonsubmetered master metered utility service to a recreational vehicle park shall determine the rates for that service on the same basis the utility uses to determine the rates for other commercial businesses. The municipality could not impose fees that the utility does not charge other commercial businesses; and the fee must be based on the park's nonsubmetered master meter connection.

The Texas Commission on Environmental Quality (TCEQ) would have jurisdiction to enforce the provisions and would be required to engage in rulemaking. According to TCEQ, the provisions of the bill would not have a significant fiscal impact on the agency.

According to the Comptroller of Public Accounts, the fiscal impact to the State cannot be estimated.

Local Government Impact

The provisions of the bill are not anticipated to have a significant fiscal impact on the rates municipalities currently charge recreational vehicle parks. No significant fiscal implication to units of local government is anticipated.
