Austin, Texas

FISCAL NOTE, 83RD LEGISLATIVE REGULAR SESSION

April 29, 2013

TO: Honorable Jane Nelson, Chair, Senate Committee on Health & Human Services

FROM: Ursula Parks, Director, Legislative Budget Board

IN RE: HB2683 by Price (Relating to employment in certain consumer-directed services and by certain facilities and to the nurse aide registry and the employee misconduct registry.), **As Engrossed**

No significant fiscal implication to the State is anticipated.

The bill would amend Chapter 250 of the Health and Safety Code to add consumer directed services to the nurse aide registry (NAR) and criminal history check requirements and amend Chapter 253 of the Health and Safety Code to add consumer directed services to employee misconduct registry (EMR) requirements. It would amend Chapter 250 of the Health and Safety Code to include an offense under Section 32.53 of the Penal Code related to exploitation of a child, elderly individual, or disabled individual to the list of offenses that would result in an employment bar. The Department of Aging and Disability Services (DADS) would be required to forward a report received concerning reportable conduct related to consumer directed services to the Department of Family and Protective Services (DFPS) for investigation. The bill requires that an employee misconduct hearing occur not later than 120 days after DADS receives a request for a hearing.

DADS and DFPS indicate any cost to implement provisions of the bill would be minimal and can be absorbed within current resources.

Local Government Impact

No fiscal implication to units of local government is anticipated.
