FISCAL NOTE, 83RD LEGISLATIVE REGULAR SESSION

May 5, 2013

TO: Honorable Garnet Coleman, Chair, House Committee on County Affairs

FROM: Ursula Parks, Director, Legislative Budget Board

IN RE: **HB3464** by Bohac (relating to the authority of a county clerk to require an individual to present photo identification to file certain documents.), **Committee Report 1st House, Substituted**

No fiscal implication to the State is anticipated.

The bill would amend the Local Government Code to authorize a county clerk to require a person filing a document in person to present a photo identification and could make a copy of the document that would remain confidential. The clerk could not charge a fee to copy or record the information from a photo identification.

Local Government Impact

There could be a negative fiscal impact to a county that could not charge a fee to copy or record the information from a photo identification; however, the amounts would vary depending on the amount of the fee and the number of copies.
