FISCAL NOTE, 83RD LEGISLATIVE REGULAR SESSION

May 10, 2013

TO: Honorable Jane Nelson, Chair, Senate Committee on Health & Human Services

FROM: Ursula Parks, Director, Legislative Budget Board

IN RE: **HB3687** by Naishtat (Relating to the provision of and funding for certain primary health care services; repealing a fee.), **As Engrossed**

No significant fiscal implication to the State is anticipated.

The bill would amend Chapter 31 of the Health and Safety Code relating to the provision of and funding for certain primary health care services. The bill would redefine services to be provided through the primary health care services program. The bill would require the Department of State Health Services (DSHS) to adopt rules related to the new program definitions and covered services. The bill would permit DSHS to authorize approved providers to charge a reasonable copayment for certain services. Based on the analysis provided by DSHS, it is assumed that the provisions of the bill can be implemented within existing resources.

Local Government Impact

No fiscal implication to units of local government is anticipated.
