

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 83RD LEGISLATIVE REGULAR SESSION

March 25, 2013

TO: Honorable Jane Nelson, Chair, Senate Committee on Health & Human Services

FROM: Ursula Parks, Director, Legislative Budget Board

IN RE: **SB45** by Zaffirini (Relating to the provision of employment assistance and supported employment to certain Medicaid waiver program participants.), **As Introduced**

No significant fiscal implication to the State is anticipated.

The bill would add employment assistance and supported employment as benefits in the Community Based Alternatives (CBA), Community Living Assistance and Support Services (CLASS), Deaf-Blind with Multiple Disabilities (DBMD), Home and Community-based Services (HCS), Medically Dependent Children Program (MDCP), and Texas Home Living (TxHmL) 1915(c) Medicaid waivers and in the STAR+PLUS Medicaid managed care program. The bill would be effective immediately if it receives a vote of two-thirds of all members elected to each house; otherwise, the bill would be effective September 1, 2013.

Employment assistance is already a benefit in DBMD and TxHmL; supported employment is already a benefit in CLASS, DBMD, HCS, and TxHmL. It is assumed that adding the additional benefits to waivers where they are not already available and to the STAR+PLUS program would not have a significant fiscal impact. Many of the clients in these programs are not working-age adults and would be unlikely to utilize the new benefit. It is assumed that any cost to provide employment assistance and supported employment services would be mostly offset by a savings from reduced need for attendant care services. The cost of system changes to accommodate the new benefits would also not be significant.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
