

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 83RD LEGISLATIVE REGULAR SESSION

March 1, 2013

TO: Honorable Dan Patrick, Chair, Senate Committee On Education

FROM: Ursula Parks, Director, Legislative Budget Board

IN RE: SB317 by Uresti (Relating to the types of beverages that may be sold to students on public school campuses.), **As Introduced**

No significant fiscal implication to the State is anticipated.

The bill would prohibit school districts from selling beverages with added sweeteners, milk with more than one percent fat, juices less than 100 percent juice, caloric vitamin-enhanced water, or caloric electrolyte replacement beverages unless provided by the school's coach to students engaged in vigorous physical activity for at least one hour.

The bill has no direct fiscal implications for the Foundation School Program (FSP) or the operations of the Texas Education Agency (TEA). The Texas Department of Agriculture (TDA) anticipates incurring approximately \$23,354 in single-year, non-recurring costs related to rulemaking and to distributing updated Texas Public School Nutrition Policy materials to schools.

Local Government Impact

No significant fiscal implication to units of local government is anticipated. There is a potential loss of revenue for some school districts that currently sell beverages that would be prohibited under the provisions of the bill.
