Austin, Texas

FISCAL NOTE, 83RD LEGISLATIVE REGULAR SESSION

March 18, 2013

TO: Honorable John Carona, Chair, Senate Committee On Business & Commerce

FROM: Ursula Parks, Director, Legislative Budget Board

IN RE: SB617 by Carona (Relating to the regulation of energy efficiency professionals; providing penalties; authorizing a fee.), **As Introduced**

No significant fiscal implication to the State is anticipated.

The bill would amend the Occupations Code relating to defining and establishing requirements for the regulation of energy efficiency professionals by the Texas Department of Licensing and Regulation (TDLR). The bill would require the Texas Commission of Licensing and Regulation to establish rules, regulations, licensing requirements, and fees for the license. The bill would also allow the commission to impose an administrative penalty for violations and, along with the Office of the Attorney General (OAG), institute an action for an injunction or a civil penalty.

Based on information provided by TDLR and the OAG, it is assumed that duties and responsibilities associated with implementing the provisions of the bill could be accomplished by utilizing existing resources. This analysis does not consider any potential revenue gains from penalty assessments.

Local Government Impact

No fiscal implication to units of local government is anticipated.
