Austin, Texas

FISCAL NOTE, 83RD LEGISLATIVE REGULAR SESSION

May 2, 2013

TO: Honorable Jimmie Don Aycock, Chair, House Committee on Public Education

FROM: Ursula Parks, Director, Legislative Budget Board

IN RE: SB684 by Deuell (Relating to a physical assessment of students by a public school.), As Engrossed

No fiscal implication to the State is anticipated.

The bill would remove the requirement that a school district annually assess the physical fitness of students enrolled in grades 3 and higher, instead requiring physical fitness assessments in grades 3; 5; once in grades 6 through 8; and once in grades 9 through 12.

Local Government Impact

School districts that discontinued some annual physical fitness assessments for students might experience a reduction in administrative costs. Savings would vary widely depending on the number of physical fitness assessments conducted.
