Austin, Texas

FISCAL NOTE, 83RD LEGISLATIVE REGULAR SESSION

May 9, 2013

TO: Honorable José Menéndez, Chair, House Committee on Defense & Veterans' Affairs

FROM: Ursula Parks, Director, Legislative Budget Board

IN RE: SB1061 by Van de Putte (Relating to parking privileges of disabled veterans on the property of institutions of higher education.), **As Engrossed**

No significant fiscal implication to the State is anticipated.

The bill would amend the Transportation Code to specify that a vehicle operated by or for the transportation of certain disabled veterans or a vehicle that displays a disabled veterans license plate issued in this state or another state may be parked for an unlimited period in a parking space or area that is designated specifically for persons with physical disabilities on the property of an institution of higher education regardless of whether a permit is generally required for the use of the space or area with the exception of certain controlled access parking facilities, areas temporarily designated for special event parking and areas where parking is temporarily prohibited for health and safety concerns.

Based on the information provided by the University of Texas System Administration and the Texas A&M University System Administration, it is assumed the provisions of the bill would not result in a significant fiscal impact.

Local Government Impact

No fiscal implication to units of local government is anticipated.
