

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 83RD LEGISLATIVE REGULAR SESSION

March 25, 2013

TO: Honorable Troy Fraser, Chair, Senate Committee on Natural Resources

FROM: Ursula Parks, Director, Legislative Budget Board

IN RE: SB1300 by Eltife (Relating to environmental or health and safety audits under the Texas Environmental, Health, and Safety Audit Privilege Act.), **As Introduced**

No significant fiscal implication to the State is anticipated.

The bill would modify the Texas Environmental, Health, and Safety Audit Privilege Act to provide prospective purchasers of facilities regulated by the Texas Commission on Environmental Quality (TCEQ) the opportunity to avail themselves of the Act for violations identified during their pre-acquisition investigation prior to acquisition of the facility. Currently, the Act only applies to existing owners and operators. The bill would also prescribe a six-month time frame for the completion of an audit after a prospective buyer closes on the acquisition of a facility, and it would provide immunity in certain circumstances for the disclosure of violations within the first six months of acquisition of the facility.

Passage of the bill is not expected to result in a significant increase in TCEQ's workload.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
