**Austin, Texas**

**FISCAL NOTE, 83RD LEGISLATIVE REGULAR SESSION**

**March 22, 2013**

**TO:** Honorable Craig Estes, Chair, Senate Committee on Agriculture, Rural Affairs & Homeland Security

**FROM:** Ursula Parks, Director, Legislative Budget Board

**IN RE:** SB1394 by Estes (Relating to the statewide critical infrastructure protection strategy.), As Introduced

**No significant fiscal implication to the State is anticipated.**

The bill would amend the Homeland Security Chapter of the Government Code by eliminating the requirement that the Homeland Security Council and each permanent special advisory committee, in the chapter, advise the governor on the development and coordination of a statewide critical infrastructure protection strategy. The bill also deletes Homeland Security Council requirement to report to the governor on the development and coordination of a statewide critical infrastructure protection strategy.

It is assumed that there will be no significant cost impact to the bill, because changes could be absorbed within existing agency resources.

**Local Government Impact**

No significant fiscal implication to units of local government is anticipated.
