

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 83RD LEGISLATIVE REGULAR SESSION

April 1, 2013

TO: Honorable John Carona, Chair, Senate Committee on Business & Commerce

FROM: Ursula Parks, Director, Legislative Budget Board

IN RE: SB1639 by Carona (Relating to the application of foreign law and foreign forum selection in certain family law proceedings.), **As Introduced**

<p>No significant fiscal implication to the State is anticipated.</p>
--

The bill would amend the Family Code to prohibit the application of certain foreign laws or decisions based on foreign law to certain family law cases and suits affecting the parent-child relationship. The bill also amends the Business and Commerce Code to specify that the changes in law would be inapplicable to certain commercial transactions.

The Office of Court Administration does not anticipate any significant fiscal impact to the court system resulting from the bill. The Office of Attorney General reports that their Child Support Division would revise policies, procedures, and training materials to include the changes in law, but anticipates that any additional workload could be absorbed within existing resources.

Local Government Impact

The Office of Court Administration reports that the bill may result in an additional workload for certain local governmental staff, such as district clerks, that provide assistance to courts. However, any additional workload is not expected to result in a significant fiscal impact.
