

**HOUSE OF REPRESENTATIVES
NOTICE OF PUBLIC HEARING**

COMMITTEE: Environmental Regulation
TIME & DATE: 9:00 AM, Tuesday, September 30, 2014
PLACE: E2.026
CHAIR: Rep. Patricia Harless

The Committee will meet to hear invited testimony on Interim Charge #4:

Review the Environmental Protection Agency's newly proposed Clean Power Plan to determine the potential impact the proposed federal rule would have on Texas. Specifically, the Committee should examine how the proposed emissions reductions would impact the reliability of the state's electricity generation, the potential impact on the price of retail electricity and its affordability, and the potential impact on the economic development of the state. Additionally, the Committee should review the state's renewable energy and energy efficiency standards to determine if they are capable of contributing to meeting any proposed emissions reductions and determine what changes, if any, to these policies could help facilitate meeting the proposed emissions reductions.

If you wish to be invited to testify, please contact the Committee Clerk at jamie.burchfield_hc@house.state.tx.us or (512)463-0776 prior to September 22.
