(6) facilitating transfer agreements through regional coordination;
(7) requiring payment, other than quality or outcome-based funding, to be based on services provided by the facility, regardless of the facility's level of care designation; and
(8) prohibiting the denial of a neonatal or maternal level of care designation to a hospital that meets the minimum requirements for that level of care designation.

(b) The Health and Human Services Commission shall study patient transfers that are not medically necessary but would be cost-effective. Based on the study under this subsection, if the executive commissioner determines that the transfers are feasible and desirable, the executive commissioner may adopt rules addressing those transfers.

(c) Each level of care designation must require a hospital to regularly submit outcome and other data to the department as required or requested.

(d) The criteria a hospital must achieve to receive each level of care designation must be posted on the department's Internet website.

(b) The confidentiality protections under Subsection (a) apply without regard to whether the information or materials are submitted by a hospital or an entity that has an ownership or management interest in a hospital.

(c) A state employee or officer may not be examined in a civil, criminal, or special proceeding, or any other proceeding, regarding the existence or contents of information or materials submitted to the department under Section 241.183(d).

(d) The submission of information or materials under Section 241.183(d) is not a waiver of a privilege or protection granted under law.

(e) The provisions of this section regarding the confidentiality of information or materials submitted by a hospital in compliance with Section 241.183(d) do not restrict access, to the extent authorized by law, by the patient or the patient's legally authorized representative to records of the patient's medical diagnosis or treatment or to other primary health records.

(f) A department summary or disclosure, including an assignment of a level of care designation, may not contain information identifying a patient, employee, contractor, volunteer, consultant, health care practitioner, student, or trainee.

Sec. 241.184. ASSIGNMENT OF LEVEL OF CARE DESIGNATION. (a) The executive commissioner, in consultation with the department, shall assign the appropriate level of care designation to each hospital that meets the minimum standards for that level of care. The executive commissioner shall evaluate separately the neonatal and maternal services provided at the hospital and assign the respective level of care designations accordingly.
