March 24, 2015

The Honorable Joe Straus
Texas House of Representatives
Capitol Station
PO Box 2910
Austin, Texas 78768-2910

Re: Responsibility of the Texas Commission on Environmental Quality (TCEQ) Pursuant to Article XVI, Section 59(d), Texas Constitution

House Bill (HB) 1074, as Filed by Representative Will Metcalf - Relating to the creation of the Montgomery County Municipal Utility District No. 145; granting a limited power of eminent domain; providing authority to issue bonds; providing authority to impose assessments, fees, and taxes

Dear Speaker Straus:

The following comments are provided pursuant to the Constitutional requirements referenced above. Under those requirements, the TCEQ must submit, to the Governor, Lieutenant Governor and Speaker of the House of Representatives, the TCEQ's recommendations on specific legislation affecting water districts. We recommend that these comments be considered in the evaluation of the proposed legislation.

Sincerely,

Water Supply Division

Representative Will Metcalf, Texas House of Representatives

Enclosure

**HB 1074, as Filed by Representative Will Metcalf
Texas Commission on Environmental Quality's Comments**

The Legislative Budget Board, in cooperation with the Texas Water Development Board (TWDB) and the Texas Commission on Environmental Quality (TCEQ), has determined that:

The bill creates the Montgomery County Municipal Utility District No. 145 (the "District") with the powers and duties of a standard municipal utility district under Water Code, Chapters 49 and 54.

Comments on Powers/Duties Different from Similar Types of Districts: The bill grants the District road powers; the bill allows the District to divide; and if the bill does not receive a two-thirds vote of all members elected to each house, the District may not exercise the power of eminent domain.

Overlapping Services: TCEQ does not have mapping information for water and/or wastewater providers because this function was transferred from the TCEQ to the Public Utility Commission on September 1, 2014. As a result, TCEQ is unaware of possible overlapping service providers.

TCEQ's Supervision: As with general law districts, the TCEQ will have general supervisory authority, including bond review authority and review of financial reports.
