March 27, 2015

Re: Responsibility of the Texas Commission on Environmental Quality (TCEQ) Pursuant to Article XVI, Section 59(d), Texas Constitution

House Bill (HB) 3605, as Filed by Senator DeWayne Burns - Relating to the creation of the Joshua Farms Municipal Management District No. 2; granting a limited power of eminent domain; providing authority to issue bonds; providing authority to impose an ad valorem tax, assessments, or fees

Dear Speaker Straus:

The following comments are provided pursuant to the Constitutional requirements referenced above. Under those requirements, the TCEQ must submit, to the Governor, Lieutenant Governor and Speaker of the House of Representatives, the TCEQ's recommendations on specific legislation affecting water districts. We recommend that these comments be considered in the evaluation of the proposed legislation.

Sincerely,

A handwritten signature in cursive script that reads "Linda Brookins".

Water Supply Division

cc: Honorable Doug Miller, Chairman, House Committee on Special Purpose Districts
Representative DeWayne Burns, Texas House of Representatives

Enclosure

**HB 3605, as Filed by Representative DeWayne Burns
Texas Commission on Environmental Quality's Comments**

The Legislative Budget Board, in cooperation with the Texas Water Development Board (TWDB) and the Texas Commission on Environmental Quality (TCEQ), has determined that:

The bill creates Joshua Farms Management District No. 2 (the "District") with the powers and duties of a municipal management district under Local Government Code Chapter 375.

Comments on Powers/Duties Different from Similar Types of Districts:

Specifies that the District has the powers of a municipal utility district operating under Chapters 49 and 54 (including road powers) of the Water Code, and public improvement district powers as provided by Chapter 372, Local Government Code.

The bill allows the District to create economic development programs and exercise economic development powers under Chapter 380, Local Government Code and Subchapter A, Chapter 1509, Government Code.

Specifies that the District may annex or remove land as provided by Subchapter J, Chapter 49, Water Code. If the land is within the extraterritorial jurisdiction of the City of Cleburne (the "City"), the District must receive City approval to add or remove land.

Local Government Code Section 375.094 states that an MMD does not have eminent domain powers. The bill specifies that this section does not apply to the District. The bill further specifies the processes by which the District may utilize eminent domain.

Specifies that the District's board must determine that a project is necessary to accomplish a public purpose of the District, and that the project may be located inside or outside the District. The District may also undertake a project within a defined area of the District, and may collect a special assessment on said property.

The bill allows the District to divide into two or more districts only if the District has no outstanding bonded debt.

Local Government Code Section 375.208 states that an MMD must receive TCEQ approval of bonds issued for water, wastewater, and drainage facilities. Section 49.181 provides TCEQ's jurisdiction over the issuance of bonds by districts. The bill specifies that these sections do not apply to the District.

Specifies that the District may levy maintenance taxes and a contract tax. Local Government Code Section 375.161 states that an MMD may not impose an impact fee, assessment, tax, or other requirement for payment, construction, alteration, or dedication under this chapter on single-family detached residential property, duplexes, triplexes, and fourplexes. The bill specifies that this section does not apply to the District.

Specifies that the City may dissolve the District by ordinance.

Overlapping Services: TCEQ does not have mapping information for water and/or wastewater providers because this function was transferred from the TCEQ to the Public Utility Commission on September 1, 2014. As a result, TCEQ is unaware of possible overlapping service providers.

TCEQ's Supervision: Similar to general law districts, the TCEQ will have the authority to review of financial reports/audits.

6 (b) The creation of the district is necessary to promote,
7 develop, encourage, and maintain employment, commerce,
