Enclosure

**HB 4157, as Filed by Representative Cecil Bell  
Texas Commission on Environmental Quality's Comments**

The Legislative Budget Board, in cooperation with the Texas Water Development Board (TWDB) and the Texas Commission on Environmental Quality (TCEQ), has determined that:

The bill creates Valley Ranch Medical Center Management District (the "District") with the powers and duties of a municipal management (MMD) district under Local Government Code Chapter 375.

**Comments on Powers/Duties Different from Similar Types of Districts:** The TCEQ shall appoint voting directors from persons recommended by the District's board.

A director is entitled to receive fees of office and reimbursement for actual expenses provided by Section 49.060, Water Code (relating to fees of office and reimbursement of expenses). Local Government Code Sections 375.069 and 375.070 (compensation of a director of an MMD) do not apply to the District.

The District may annex land as provided by Subchapter J, Chapter 49, Water Code.

The District may not exercise the power of eminent domain.

The District may designate reinvestment zones and may grant abatements of District taxes or assessments on property in the zones.

The District may levy a maintenance tax and a contract tax as provided for in Sections 49.107 and 49.108 of the Water Code. Subsection 49.107(h), which states that a maintenance tax for recreational facilities may not exceed 10 cents per \$100 is not applicable to the District.

The 1% cap limitation for the ratio of the District's outstanding debt to assessed valuation as required in Section 49.4645, Water Code does not apply to the District.

**Overlapping Services:** TCEQ does not have mapping information for water and/or wastewater providers because this function was transferred from the TCEQ to the Public Utility Commission on September 1, 2014. As a result, TCEQ is unaware of possible overlapping service providers.

**TCEQ's Supervision:** As with general law districts, the TCEQ will have general supervisory authority, including the review of bonds issued by the District (water, wastewater, and drainage facilities only) and the review of financial reports.
