Dear Speaker Straus:

The following comments are provided pursuant to the Constitutional requirements referenced above. Under those requirements, the TCEQ must submit, to the Governor, Lieutenant Governor and Speaker of the House of Representatives, the TCEQ's recommendations on specific legislation affecting water districts. We recommend that these comments be considered in the evaluation of the proposed legislation.

Enclosure

**HB 4174, as Filed by Representative Ron Reynolds
Texas Commission on Environmental Quality's Comments**

The Legislative Budget Board, in cooperation with the Texas Water Development Board (TWDB) and the Texas Commission on Environmental Quality (TCEQ), has determined that:

The bill creates a defined area (DA), initially composed of described territory, in Fort Bend County Water Control and Improvement District No. 2

Comments on Powers/Duties Different from Similar Types of Districts: The DA is designated to pay for improvements, facilities, or services that primarily benefit the DA and not the District as a whole. The bill allows the DA to: annex or exclude land; issue bonds; have powers and duties applicable to municipal management districts; have authority for road projects; have economic development programs; and establish parking facilities. The bill allows, subject to elections held within the DA, the imposing of an ad valorem tax, or operation and maintenance tax, or contract tax, or the issuance of bonds payable from ad valorem taxes in the DA. The bill, with stated exceptions, validates and confirms all governmental acts and proceedings of the District taken before the effective date of the bill.

Overlapping Services: TCEQ does not have mapping information for water and/or wastewater providers because this function was transferred from the TCEQ to the Public Utility Commission on September 1, 2014. As a result, TCEQ is unaware of possible overlapping service providers.

TCEQ's Supervision: As with general law districts, the TCEQ will have general supervisory authority, including bond review authority and review of financial reports.
