

Amend CSHB 1 as follows:

(1) On page II-95 of the Health and Human Services Commission's bill pattern, add the following rider:

Rider _____. Therapy Services. Out of funds appropriated above, the Health and Human Services Commission shall reform reimbursement methodology to be in line with industry standards, policies, and utilization for acute care therapy services to achieve savings in the Medicaid program, using the findings from the 2015 report by the Commission, Review of Texas Medicaid Acute Care Therapy Programs.
