

Amend **CSHB 1** (house committee printing) in Article II of the bill on page II-119 under "Special Provision Relating to All Health and Human Service Agencies" by adding the following rider:

\_\_\_\_. Limitation of Appropriated Funds: an agency may use funds appropriated by this Act to implement management actions which defund or alter programs in a manner inconsistent with the funding considerations when the funds were appropriated without the enactment of specific legislation by the Eighty-Fourth Legislature, Regular Session only after a written request to the Legislative Budget Board has been approved.
