

Amend **HB 635** (house committee printing) on page 1 by striking lines 6-10 and substituting the following:

Sec. 241.010. DISPOSITION OF FETAL REMAINS. (a) A hospital shall release the remains of an unintended, intrauterine fetal death on the request of a parent of the unborn child, in a manner appropriate under law and the hospital's policy for disposition of a human body.

(b) Notwithstanding Subsection (a), if the remains of an unintended, intrauterine fetal death weigh less than 350 grams, a hospital shall release the remains on the request of a parent of the unborn child, in a manner that is appropriate under law and consistent with hospital policy.
