

Amend **HB 939** (senate committee printing) in SECTION 1 of the bill by striking added Section 202.019(i), Property Code (page 3, lines 6-11):

~~(i) The installation of a standby electric generator by a licensed contractor or the acceptance of the installation of a standby electric generator, or any of its components, by a political subdivision is conclusive proof that the standby electric generator and its components were installed in compliance with Subsection (c).~~
