

Amend HB 3380 (house committee printing) on page 1, lines 7-10, by striking proposed Section 26.048(a), Local Government Code, and substituting the following:

(a) The governing body of a municipality may remove an elected officer of the municipality from office in accordance with the municipality's charter, except that the governing body may not remove an elected officer if the removal is based solely on the officer's performance of an official duty.
