

Amend **HR 3** by adding two new appropriately designated sections to Article 3:

SECTION 3.____. ACCESS TO HOUSE OFFICES. A house member and the member's staff may control access by the public to the member's office and may exclude visitors from the office at their discretion. If a person refuses to leave the member's office when requested, the member may request assistance from the Department of Public Safety.

SECTION 3.____. DPS PANIC BUTTONS. The Committee on House Administration shall work with the Department of Public Safety to ensure that each house office may request a panic button that the house member and the member's staff may use to alert the department to an emergency in the office. The member may reimburse the Committee on House Administration for the cost of the panic button equipment in monthly installments over the fiscal year.
