

Amend CSSB 149 (house committee report) on page 3, lines 18-20, by striking "a student must successfully complete the curriculum requirements identified by the State Board of Education under Section 28.025(a)" and substituting the following:

a student must successfully complete the curriculum requirements required for high school graduation:

(1) identified by the State Board of Education under Section 28.025(a); or

(2) as otherwise provided by the transition plan adopted by the commissioner under Section 28.025(h)
