FLOOR AMENDMENT NO. _____

BY: Ken Guillet

1 Amend C.S.H.B. No. 1 (house committee printing) in Article II
2 of the bill immediately following the appropriations to the Health
3 and Human Services Commission (page II-73) by adding the following
4 appropriately numbered rider and renumbering subsequent riders
5 accordingly:

6 _____. Transparency in STAR Medicaid Managed Care Program
7 Rate-setting Process. It is the intent of the Legislature that the
8 Health and Human Services Commission may not spend any of the
9 funds appropriated in this Act to the commission for purposes
10 of Goal B, Medicaid, unless the commission, using money
11 appropriated by this Act, ensures the transparency of the premium
12 payment rate-setting process for the payment of premiums
13 under the STAR Medicaid managed care program by publishing
14 actuarial reports. It is the intent of the legislature that the
15 reports satisfy the following requirements:

16 a. A report must be in a format that allows for tracing data
17 and formulas across attachments, exhibits, and examples.

18 b. A report must clearly identify and describe the
19 methodology by which the executive commissioner of the Health and
20 Human Services Commission set the payment rates, the data sources
21 used, the components of the process that are assumptions and how the
22 assumptions are developed, and multipliers and factors used
23 throughout the reports, including the source and purpose of the
24 multipliers and factors.
