### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

Under current law (Section 72.101 (Personal Property Presumed Abandoned), Property Code), counties are required to hold presumed abandoned property for three years. Requiring counties to retain abandoned personal items for three years places an undue burden and cost on the counties. While the number of unclaimed items is not extreme, having to store bicycles, books, articles of clothing, or any other unclaimed items not only takes up valuable space, but after three years, many of the items become obsolete or worthless.

S.B. 569 allows abandoned personal property that is found on county land or in a county park, facility, or a right-of-way to be presumed abandoned after 60 days if the property is held by the county, the existence and location of the owner is unknown to the county, and a claim to the personal property has not been asserted. This will allow counties to handle abandoned tangible personal property that is found on county land or in a county park, facility, or right-of-way in a manner allowing time for owners to reclaim their property and if not claimed, to use the property for a public purpose for the benefit of the citizens of the county.

As proposed, S.B. 569 amends current law relating to the presumption of abandonment of certain tangible personal property held by a county.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
