AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

In 1995, the 74th Legislature established the Texas Interagency Council for the Homeless (TICH) to coordinate the state's resources and services to address homelessness. TICH also serves as an advisory committee to the Texas Department of Housing and Community Affairs (TDHCA). Representatives from 11 state agencies sit on the council along with members appointed by the governor, lieutenant governor, and speaker of the House of Representatives. Portions of state law relating to the TICH have not been updated since initial passage of the enabling legislation, which has caused some difficulty in conducting board meetings and providing resources to member agencies.

S.B. 607 updates the membership of the TICH to reflect changes to agency names that have been made since 1995, and allows TICH and its member agencies to seek assistance from the Texas Homeless Network if any wish to do so. S.B. 607 also updates language to allow for a member's participation in a meeting by teleconference or other acceptable methods as allowed by the Open Meetings Act, which will count toward the determination of whether a quorum is present at the meeting.

S.B. 607 amends current law relating to the Texas Interagency Council for the Homeless.

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
