### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

C.S.S.B. 1315 authorizes Section 202 affordable housing projects to compete within the at-risk set-aside for low-income housing tax credits. Currently, under a subsection of the definition of at-risk developments, only projects that have federally insured debt can compete in the at-risk set-aside. However, projects that received United States Department of Housing and Urban Development (HUD) 202 funds, a program that no longer exists, have HUD-held debt and are excluded from competing for funds. This bill allows these projects to compete in the at-risk set-aside. (Original Author's/Sponsor's Statement of Intent)

C.S.S.B. 1315 amends current law relating to low income housing tax credits awarded for at-risk developments.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
