AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

The Texas Department of Motor Vehicles regulates salvage vehicle dealers, salvage pool operators, and salvage vehicle rebuilders. Some of the current statutes related to these licenses are confusing and out of date. In order to address these issues, S.B. 1504 does three main things: (1) clarifies activities salvage vehicle related license holders may engage in; (2) streamlines licensing processes with a view toward automation; and (3) corrects and consolidates various definitions in the Occupations Code related to salvage vehicles.

As proposed, S.B. 1504 amends current law relating to the regulation of salvage vehicle dealers, salvage pool operators, and salvage vehicle rebuilders, and expands the applicability of an occupational license.
