AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

Continuing development and growth in Fort Bend County has created the need for permanent improvements such as water supply and distribution facilities, wastewater collection and treatment facilities, drainage and flood control projects and major thoroughfare improvements. Article XVI, Section 59, and Article III, Section 52, of the Constitution provide for the creation of local governmental districts which are authorized to incur indebtedness to provide such permanent improvements and to levy taxes for the maintenance and operation of such improvements and for the repayment of such indebtedness.

Pursuant to Article XVI, Section 59, and Article III, Section 52, of the Constitution of Texas, and subject to the continuing supervisory jurisdiction of the Texas Commission on Environmental Quality, the bill creates a municipal utility district, with road powers, to be known as Fort Bend County Municipal Utility District No. 219, over a tract of land containing approximately 434.541 acres of land in Fort Bend County.

S.B. 2007 amends current law relating to the creation of the Fort Bend County Municipal Utility District No. 219, grants a limited power of eminent domain, provides authority to issue bonds, and provides authority to impose assessments, fees, and taxes.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
