AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

Driftwood Economic Development Municipal Management District (district) was created by H.B. 4825, 81st Legislature, Regular Session, 2009, which is now codified as Chapter 3858 of the Special District Local Laws Code (creation statute). Section 3858.006 of the creation statute provides that Chapter 375, Local Government Code, which governs municipal management districts in general, applies to the district, except where otherwise provided by the creation statute. This bill amends the creation statute to tailor certain concepts in Chapter 375 to the unique characteristics of the district and to update certain provisions of the creation statute to conform to the practical realities within the district.

As proposed, S.B. 2022 amends current law relating to the Driftwood Economic Development Municipal Management District.
