

AN ACT

relating to the compatibility of state agency websites with certain devices and Internet browsers.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Subchapter F, Chapter 2054, Government Code, is amended by adding Section 2054.134 to read as follows:

Sec. 2054.134. DEVICE AND INTERNET BROWSER COMPATIBILITY.

(a) In this section, "wireless communication device" means a device capable of using a commercial mobile service as defined by 47 U.S.C. Section 332.

(b) The department shall identify the three most commonly used Internet browsers and post a list containing those browsers in a conspicuous location on the department's Internet website. The department shall biennially review and, if necessary, update the list required under this subsection.

(c) Each state agency that maintains a generally accessible Internet website or for which a generally accessible Internet website is maintained shall ensure that the website is compatible with:

(1) a wireless communication device; and

(2) the most recent version of each Internet browser listed by the department as required under Subsection (b).

SECTION 2. This Act takes effect September 1, 2015.
