BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS: SECTION 1. Section 66.007, Parks and Wildlife Code, is amended by adding Subsection (n) to read as follows: (n) A water transfer described by this subsection is not a violation of this section. The department may not require a permit under this section for a water transfer described by this subsection. This subsection applies to a water transfer that meets the following criteria: (1) the transfer is through a water supply system, including a related water conveyance, storage, or distribution facility; (2) the transfer is undertaken by a utility owned by a political subdivision, including a water district or municipality; and (3) the transfer from a water body in which there is no known exotic harmful or potentially harmful fish or shellfish population; (B) a transfer of water into a water body in which there is a known exotic harmful or potentially harmful fish or shellfish population; (D) a transfer of water directly to a water treatment facility; (D) a transfer of water from a reservoir or through a dam to address flood control or to meet water supply requirements or environmental flow purposes. SECTION 2. Section 66.0072, Parks and Wildlife Code, is amended by adding Subsection (g) to read as follows: (g) A water transfer described by this subsection is not a violation of this section. The department may not require a permit under this section for a water transfer described by this subsection. The department may not require a permit under this section for a water transfer described by this subsection. The department may not require a permit under this section for a water transfer described by this subsection. The department may not require a permit under this section for a water transfer described by this subsection. The department may not require a permit under this section for a water transfer described by this subsection. The subsection applies to a water transfer that m
