A BILL TO BE ENTITLED

AN ACT

relating to the name of the program serving certain persons with special health care needs and prioritizing services provided under the program.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. The legislature finds that:

(1) when proposing, adopting, or amending the rules of the Department of State Health Services, or the Health and Human Services Commission and when publishing new or amended reference materials, publications, or electronic media, the name of the Children with Special Health Care Needs Services Program should be changed to accurately reflect that the program provides services to persons other than children, including persons 21 years of age and older who have cystic fibrosis;

(2) as of January 31, 2015, persons not lawfully present in the United States constituted two-thirds the total number of persons served by the program;

(3) as of January 31, 2015, the program's waiting list for services consisted of 178 persons, more than half of whom were identified as persons not lawfully present in the United States;

(4) if because of financial limitations the program is unable to serve all persons eligible for services under the program, some persons placed on the program's waiting list may not receive the services;

(5) the only authority the state may exercise to address the limited availability of services when financial limitations exist is for the state to give priority for services to citizens of the United States who are on the program's waiting list; and

(6) it is the policy of this state that, when financial limitations restrict the number of persons served by the program, citizens of the United States who are on the program's waiting list for services should be given priority over persons not lawfully present in the United States.
