21 ensure that a parent who participates in the parent orientation  
22 receives priority for child-care services within the parent's  
23 priority group, as established by the commission, over those  
24 parents within the priority group who do not participate in the  
25 orientation.

26 (c) Each participating local workforce development board  
27 shall establish a deadline by which a parent who applies for

21 subsidized child-care services through a participating local  
22 workforce development board who becomes ineligible for subsidized  
23 child-care services because of a child's excessive absences may  
24 retain eligibility for child-care services if the parent:

25 (1) enrolls in a parent education program offered by a  
26 local workforce development board under Section 316.004 not later

7 a reason under Subsection (a).

8 (c) A participating local workforce development board shall  
9 adopt policies to administer this section, including a policy that:
