8 (c) This chapter and the creation of the district may not be
9 interpreted to relieve the county from providing the level of
10 services provided as of the effective date of the Act enacting this
11 chapter to the area in the district. The district is created to
12 supplement and not to supplant county services provided in the
13 district.

15 (a) The district is created to serve a public use and benefit.
