A BILL TO BE ENTITLED

1 AN ACT

2 relating to a report concerning information security for this

- 3 state's information resources.
- 4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:
- 5 SECTION 1. Section 2054.133, Government Code, is amended by
- 6 adding Subsection (f) to read as follows:
- 7 (f) Not later than January 13 of each odd-numbered year, the
- 8 department shall submit a written report to the governor, the
- 9 <u>lieutenant governor</u>, and the <u>legislature evaluating information</u>
- 10 security for this state's information resources. In preparing the
- 11 report, the department shall consider the information security
- 12 plans submitted by state agencies under this section, any
- 13 vulnerability reports submitted under Section 2054.077, and other
- 14 available information regarding the security of this state's
- 15 <u>information resources.</u> The department shall omit from any written
- 16 copies of the report information that could expose specific
- 17 vulnerabilities in the security of this state's information
- 18 <u>resources.</u>
- 19 SECTION 2. This Act takes effect September 1, 2015.
