By: Hinojosa, et al. S.B. No. 207

A BILL TO BE ENTITLED

AN ACT

relating to the authority and duties of the office of inspector general of the Health and Human Services Commission.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Section 531.1011(4), Government Code, is amended to read as follows:

(4) "Fraud" means an intentional deception or misrepresentation made by a person with the knowledge that the deception could result in some unauthorized benefit to that person or some other person[~~, including any act that constitutes fraud under applicable federal or state law~~]. The term does not include unintentional technical, clerical, or administrative errors.

SECTION 2. Section 531.102, Government Code, is amended by amending Subsections (g) and (k), amending Subsection (f) as amended by S.B. 219, Acts of the 84th Legislature, Regular Session, 2015, and adding Subsections (a-2), (a-3), (a-4), (a-5), (a-6), (f-1), (p), (q), (r), (s), and (t) to read as follows:

(a-2) The executive commissioner shall work in consultation with the office whenever the law requires the commissioner to adopt a rule or policy necessary to implement a power or duty of the office, including rules necessary to carry out a responsibility under Subsection (a).

(a-3) The executive commissioner is responsible for performing all administrative support services functions necessary

to operate the office in the same manner that the executive commissioner is responsible for providing administrative support services functions for the health and human services system, including functions of the office related to the following:

(1) procurement processes;

(2) contracting policies;

(3) information technology services;

(4) legal services;

(5) budgeting; and

(6) personnel and employment policies.

(a-4) The commission's internal audit division shall regularly audit the office as part of the commission's internal audit program and shall include the office in the commission's risk assessments.

(a-5) The office shall closely coordinate with the executive commissioner and the relevant staff of health and human services system programs that the office oversees in performing functions relating to the prevention of fraud, waste, and abuse in the delivery of health and human services and the enforcement of state law relating to the provision of those services, including audits, utilization reviews, provider education, and data analysis.

(a-6) The office shall conduct investigations independent of the executive commissioner and the commission but shall rely on the coordination required by Subsection (a-5) to ensure that the office has a thorough understanding of the health and human services system for purposes of knowledgeably and effectively

performing the office's duties under this section and any other law.

(f)(1) If the commission receives a complaint or allegation of Medicaid fraud or abuse from any source, the office must conduct a preliminary investigation as provided by Section 531.118(c) to determine whether there is a sufficient basis to warrant a full investigation. A preliminary investigation must begin not later than the 30th day, and be completed not later than the 45th day, after the date the commission receives a complaint or allegation or has reason to believe that fraud or abuse has occurred. [~~A preliminary investigation shall be completed not later than the 90th day after it began.~~]

(2) If the findings of a preliminary investigation give the office reason to believe that an incident of fraud or abuse involving possible criminal conduct has occurred in Medicaid, the office must take the following action, as appropriate, not later than the 30th day after the completion of the preliminary investigation:

(A) if a provider is suspected of fraud or abuse involving criminal conduct, the office must refer the case to the state's Medicaid fraud control unit, provided that the criminal referral does not preclude the office from continuing its investigation of the provider, which investigation may lead to the imposition of appropriate administrative or civil sanctions; or

(B) if there is reason to believe that a recipient has defrauded Medicaid, the office may conduct a full investigation of the suspected fraud, subject to Section

531.118(c).

(f-1) The office shall complete a full investigation of a complaint or allegation of Medicaid fraud or abuse against a provider not later than the 180th day after the date the full investigation begins unless the office determines that more time is needed to complete the investigation. Except as otherwise provided by this subsection, if the office determines that more time is needed to complete the investigation, the office shall provide notice to the provider who is the subject of the investigation stating that the length of the investigation will exceed 180 days and specifying the reasons why the office was unable to complete the investigation within the 180-day period. The office is not required to provide notice to the provider under this subsection if the office determines that providing notice would jeopardize the investigation.

(g)(1) Whenever the office learns or has reason to suspect that a provider's records are being withheld, concealed, destroyed, fabricated, or in any way falsified, the office shall immediately refer the case to the state's Medicaid fraud control unit. However, such criminal referral does not preclude the office from continuing its investigation of the provider, which investigation may lead to the imposition of appropriate administrative or civil sanctions.

(2) As [~~In addition to other instances~~] authorized under state and [~~or~~] federal law, and except as provided by Subdivisions (8) and (9), the office shall impose without prior notice a payment hold on claims for reimbursement submitted by a

provider only to compel production of records, when requested by the state's Medicaid fraud control unit, or on the determination that a credible allegation of fraud exists, subject to Subsections (l) and (m), as applicable. The payment hold is a serious enforcement tool that the office imposes to mitigate ongoing financial risk to the state. A payment hold imposed under this subdivision takes effect immediately. The office must notify the provider of the payment hold in accordance with 42 C.F.R. Section 455.23(b) and, except as provided by that regulation, not later than the fifth day after the date the office imposes the payment hold. In addition to the requirements of 42 C.F.R. Section 455.23(b), the notice of payment hold provided under this subdivision must also include:

(A) the specific basis for the hold, including identification of the claims supporting the allegation at that point in the investigation, [~~and~~] a representative sample of any documents that form the basis for the hold, and a detailed summary of the office's evidence relating to the allegation; [~~and~~]

(B) a description of administrative and judicial due process rights and remedies, including the provider's option [~~right~~] to seek informal resolution, the provider's right to seek a formal administrative appeal hearing, or that the provider may seek both; and

(C) a detailed timeline for the provider to pursue the rights and remedies described in Paragraph (B).

(3) On timely written request by a provider subject to a payment hold under Subdivision (2), other than a hold requested by

the state's Medicaid fraud control unit, the office shall file a request with the State Office of Administrative Hearings for an expedited administrative hearing regarding the hold not later than the third day after the date the office receives the provider's request. The provider must request an expedited administrative hearing under this subdivision not later than the 10th [~~30th~~] day after the date the provider receives notice from the office under Subdivision (2). The State Office of Administrative Hearings shall hold the expedited administrative hearing not later than the 45th day after the date the State Office of Administrative Hearings receives the request for the hearing. In a hearing held under this subdivision [~~Unless otherwise determined by the administrative law judge for good cause at an expedited administrative hearing, the state and the provider shall each be responsible for~~]:

(A) the provider and the office are each limited to four hours of testimony, excluding time for responding to questions from the administrative law judge [~~one-half of the costs charged by the State Office of Administrative Hearings~~];

(B) the provider and the office are each entitled to two continuances under reasonable circumstances [~~one-half of the costs for transcribing the hearing~~]; and

(C) the office is required to show probable cause that the credible allegation of fraud that is the basis of the payment hold has an indicia of reliability and that continuing to pay the provider presents an ongoing significant financial risk to the state and a threat to the integrity of Medicaid [~~the party's own costs related to the hearing, including the costs associated with~~

~~preparation for the hearing, discovery, depositions, and subpoenas, service of process and witness expenses, travel expenses, and investigation expenses; and~~

[~~(D) all other costs associated with the hearing that are incurred by the party, including attorney's fees~~].

(4) The office is responsible for the costs of a hearing held under Subdivision (3), but a provider is responsible for the provider's own costs incurred in preparing for the hearing [~~executive commissioner and the State Office of Administrative Hearings shall jointly adopt rules that require a provider, before an expedited administrative hearing, to advance security for the costs for which the provider is responsible under that subdivision~~].

(5) In a hearing held under Subdivision (3), the administrative law judge shall decide if the payment hold should continue but may not adjust the amount or percent of the payment hold. Notwithstanding any other law, including Section 2001.058(e), the decision of the administrative law judge is final and may not be appealed [~~Following an expedited administrative hearing under Subdivision (3), a provider subject to a payment hold, other than a hold requested by the state's Medicaid fraud control unit, may appeal a final administrative order by filing a petition for judicial review in a district court in Travis County~~].

(6) The executive commissioner, in consultation with the office, shall adopt rules that allow a provider subject to a payment hold under Subdivision (2), other than a hold requested by the state's Medicaid fraud control unit, to seek an informal

resolution of the issues identified by the office in the notice provided under that subdivision. A provider must request an initial informal resolution meeting under this subdivision not later than the deadline prescribed by Subdivision (3) for requesting an expedited administrative hearing. On receipt of a timely request, the office shall decide whether to grant the provider's request for an initial informal resolution meeting, and if the office decides to grant the request, the office shall schedule the [~~an~~] initial informal resolution meeting [~~not later than the 60th day after the date the office receives the request, but the office shall schedule the meeting on a later date, as determined by the office, if requested by the provider~~]. The office shall give notice to the provider of the time and place of the initial informal resolution meeting [~~not later than the 30th day before the date the meeting is to be held~~]. A provider may request a second informal resolution meeting [~~not later than the 20th day~~] after the date of the initial informal resolution meeting. On receipt of a timely request, the office shall decide whether to grant the provider's request for a second informal resolution meeting, and if the office decides to grant the request, the office shall schedule the [~~a~~] second informal resolution meeting [~~not later than the 45th day after the date the office receives the request, but the office shall schedule the meeting on a later date, as determined by the office, if requested by the provider~~]. The office shall give notice to the provider of the time and place of the second informal resolution meeting [~~not later than the 20th day before the date the meeting is to be held~~]. A provider must have an

opportunity to provide additional information before the second informal resolution meeting for consideration by the office. A provider's decision to seek an informal resolution under this subdivision does not extend the time by which the provider must request an expedited administrative hearing under Subdivision (3). The informal resolution process shall run concurrently with the administrative hearing process, and the informal resolution process shall be discontinued once the State Office of Administrative Hearings issues a final determination on the payment hold. [~~However, a hearing initiated under Subdivision (3) shall be stayed until the informal resolution process is completed.~~]

(7) The office shall, in consultation with the state's Medicaid fraud control unit, establish guidelines under which [~~payment holds or~~] program exclusions:

(A) may permissively be imposed on a provider; or

(B) shall automatically be imposed on a provider.

(7-a) The office shall, in consultation with the state's Medicaid fraud control unit, establish guidelines regarding the imposition of payment holds authorized under Subdivision (2).

(8) In accordance with 42 C.F.R. Sections 455.23(e) and (f), on the determination that a credible allegation of fraud exists, the office may find that good cause exists to not impose a payment hold, to not continue a payment hold, to impose a payment hold only in part, or to convert a payment hold imposed in whole to one imposed only in part, if any of the following are applicable:

(A) law enforcement officials have specifically

requested that a payment hold not be imposed because a payment hold would compromise or jeopardize an investigation;

(B) available remedies implemented by the state other than a payment hold would more effectively or quickly protect Medicaid funds;

(C) the office determines, based on the submission of written evidence by the provider who is the subject of the payment hold, that the payment hold should be removed;

(D) Medicaid recipients' access to items or services would be jeopardized by a full or partial payment hold because the provider who is the subject of the payment hold:

(i) is the sole community physician or the sole source of essential specialized services in a community; or

(ii) serves a large number of Medicaid recipients within a designated medically underserved area;

(E) the attorney general declines to certify that a matter continues to be under investigation; or

(F) the office determines that a full or partial payment hold is not in the best interests of Medicaid.

(9) The office may not impose a payment hold on claims for reimbursement submitted by a provider for medically necessary services for which the provider has obtained prior authorization from the commission or a contractor of the commission unless the office has evidence that the provider has materially misrepresented documentation relating to those services.

(k) A final report on an audit or investigation is subject to required disclosure under Chapter 552. All information and

materials compiled during the audit or investigation remain confidential and not subject to required disclosure in accordance with Section 531.1021(g). A confidential draft report on an audit or investigation that concerns the death of a child may be shared with the Department of Family and Protective Services. A draft report that is shared with the Department of Family and Protective Services remains confidential and is not subject to disclosure under Chapter 552.

(p) The executive commissioner, in consultation with the office, shall adopt rules establishing criteria:

(1) for opening a case;

(2) for prioritizing cases for the efficient management of the office's workload, including rules that direct the office to prioritize:

(A) provider cases according to the highest potential for recovery or risk to the state as indicated through the provider's volume of billings, the provider's history of noncompliance with the law, and identified fraud trends;

(B) recipient cases according to the highest potential for recovery and federal timeliness requirements; and

(C) internal affairs investigations according to the seriousness of the threat to recipient safety and the risk to program integrity in terms of the amount or scope of fraud, waste, and abuse posed by the allegation that is the subject of the investigation; and

(3) to guide field investigators in closing a case that is not worth pursuing through a full investigation.

(q) The executive commissioner, in consultation with the office, shall adopt rules establishing criteria for determining enforcement and punitive actions with regard to a provider who has violated state law, program rules, or the provider's Medicaid provider agreement that include:

(1) direction for categorizing provider violations according to the nature of the violation and for scaling resulting enforcement actions, taking into consideration:

(A) the seriousness of the violation;

(B) the prevalence of errors by the provider;

(C) the financial or other harm to the state or recipients resulting or potentially resulting from those errors; and

(D) mitigating factors the office determines appropriate; and

(2) a specific list of potential penalties, including the amount of the penalties, for fraud and other Medicaid violations.

(r) The office shall review the office's investigative process, including the office's use of sampling and extrapolation to audit provider records. The review shall be performed by staff who are not directly involved in investigations conducted by the office.

(s) At each quarterly meeting of any advisory council responsible for advising the executive commissioner on the operation of the commission, the inspector general shall submit a report to the executive commissioner, the governor, and the

legislature on:

(1) the office's activities;

(2) the office's performance with respect to performance measures established by the executive commissioner for the office;

(3) fraud trends identified by the office; and

(4) any recommendations for changes in policy to prevent or address fraud, waste, and abuse in the delivery of health and human services in this state.

(t) The office shall publish each report required under Subsection (s) on the office's Internet website.

SECTION 3. Section 531.1021(a), Government Code, as amended by S.B. No. 219, Acts of the 84th Legislature, Regular Session, 2015, is amended to read as follows:

(a) The office of inspector general may issue [~~request that the executive commissioner or the executive commissioner's designee approve the issuance by the office of~~] a subpoena in connection with an investigation conducted by the office. A [~~If the request is approved, the office may issue a~~] subpoena may be issued under this section to compel the attendance of a relevant witness or the production, for inspection or copying, of relevant evidence that is in this state.

SECTION 4. Section 531.113, Government Code, is amended by adding Subsection (d-1) and amending Subsection (e) as amended by S.B. 219, Acts of the 84th Legislature, Regular Session, 2015, to read as follows:

(d-1) The commission's office of inspector general shall:

(1) investigate, including by means of regular audits, possible fraud, waste, and abuse by managed care organizations subject to this section;

(2) establish requirements for the provision of training to and regular oversight of special investigative units established by managed care organizations under Subsection (a)(1) and entities with which managed care organizations contract under Subsection (a)(2);

(3) establish requirements for approving plans to prevent and reduce fraud and abuse adopted by managed care organizations under Subsection (b);

(4) evaluate statewide fraud, waste, and abuse trends in Medicaid and communicate those trends to special investigative units and contracted entities to determine the prevalence of those trends; and

(5) assist managed care organizations in discovering or investigating fraud, waste, and abuse, as needed.

(e) The executive commissioner, in consultation with the office, shall adopt rules as necessary to accomplish the purposes of this section, including rules defining the investigative role of the commission's office of inspector general with respect to the investigative role of special investigative units established by managed care organizations under Subsection (a)(1) and entities with which managed care organizations contract under Subsection (a)(2). The rules adopted under this section must specify the office's role in:

(1) reviewing the findings of special investigative

units and contracted entities;

(2) investigating cases where the overpayment amount sought to be recovered exceeds $100,000; and

(3) investigating providers who are enrolled in more than one managed care organization.

SECTION 5. Section 531.118(b), Government Code, is amended to read as follows:

(b) If the commission receives an allegation of fraud or abuse against a provider from any source, the commission's office of inspector general shall conduct a preliminary investigation of the allegation to determine whether there is a sufficient basis to warrant a full investigation. A preliminary investigation must begin not later than the 30th day, and be completed not later than the 45th day, after the date the commission receives or identifies an allegation of fraud or abuse.

SECTION 6. Section 531.120(b), Government Code, is amended to read as follows:

(b) A provider may [~~must~~] request an [~~initial~~] informal resolution meeting under this section, and on [~~not later than the 30th day after the date the provider receives notice under Subsection (a). On~~] receipt of the [~~a timely~~] request, the office shall schedule the [~~an initial~~] informal resolution meeting [~~not later than the 60th day after the date the office receives the request, but the office shall schedule the meeting on a later date, as determined by the office if requested by the provider~~]. The office shall give notice to the provider of the time and place of the [~~initial~~] informal resolution meeting [~~not later than the 30th~~

~~day before the date the meeting is to be held~~]. The informal resolution process shall run concurrently with the administrative hearing process, and the administrative hearing process may not be delayed on account of the informal resolution process. [~~A provider may request a second informal resolution meeting not later than the 20th day after the date of the initial informal resolution meeting. On receipt of a timely request, the office shall schedule a second informal resolution meeting not later than the 45th day after the date the office receives the request, but the office shall schedule the meeting on a later date, as determined by the office if requested by the provider. The office shall give notice to the provider of the time and place of the second informal resolution meeting not later than the 20th day before the date the meeting is to be held. A provider must have an opportunity to provide additional information before the second informal resolution meeting for consideration by the office.~~]

SECTION 7. Sections 531.1201(a) and (b), Government Code, are amended to read as follows:

(a) A provider must request an appeal under this section not later than the 30th [~~15th~~] day after the date the provider is notified that the commission or the commission's office of inspector general will seek to recover an overpayment or debt from the provider. On receipt of a timely written request by a provider who is the subject of a recoupment of overpayment or recoupment of debt arising out of a fraud or abuse investigation, the office of inspector general shall file a docketing request with the State Office of Administrative Hearings or the Health and Human Services

Commission appeals division, as requested by the provider, for an administrative hearing regarding the proposed recoupment amount and any associated damages or penalties. The office shall file the docketing request under this section not later than the 60th day after the date of the provider's request for an administrative hearing or not later than the 60th day after the completion of the informal resolution process, if applicable.

(b) The commission's office of inspector general is responsible for the costs of an administrative hearing held under Subsection (a), but a provider is responsible for the provider's own costs incurred in preparing for the hearing [~~Unless otherwise determined by the administrative law judge for good cause, at any administrative hearing under this section before the State Office of Administrative Hearings, the state and the provider shall each be responsible for:~~

[~~(1) one-half of the costs charged by the State Office of Administrative Hearings;~~

[~~(2) one-half of the costs for transcribing the hearing;~~

[~~(3) the party's own costs related to the hearing, including the costs associated with preparation for the hearing, discovery, depositions, and subpoenas, service of process and witness expenses, travel expenses, and investigation expenses; and~~

[~~(4) all other costs associated with the hearing that are incurred by the party, including attorney's fees~~].

SECTION 8. Section 531.1202, Government Code, is amended to read as follows:

Sec. 531.1202. RECORD OF AND CONFIDENTIALITY OF INFORMAL RESOLUTION MEETINGS. (a) On the written request of a provider, the [~~The~~] commission shall, at no expense to the provider who requested the meeting, provide for an informal resolution meeting held under Section 531.102(g)(6) or 531.120(b) to be recorded. The recording of an informal resolution meeting shall be made available to the provider who requested the meeting. The commission may not record an informal resolution meeting unless the commission receives a written request from a provider under this subsection.

(b) Notwithstanding Section 531.1021(g) and except as provided by this section, an informal resolution meeting held under Section 531.102(g)(6) or 531.120(b) is confidential, and any information or materials obtained by the commission's office of inspector general, including the office's employees or the office's agents, during or in connection with an informal resolution meeting, including a recording made under Subsection (a), are privileged and confidential and not subject to disclosure under Chapter 552 or any other means of legal compulsion for release, including disclosure, discovery, or subpoena.

SECTION 9. Subchapter C, Chapter 531, Government Code, is amended by adding Sections 531.1023, 531.1024, 531.1027, and 531.1203 to read as follows:

Sec. 531.1023. COMPLIANCE WITH FEDERAL CODING GUIDELINES. The commission's office of inspector general, including office staff and any third party with which the office contracts to perform coding services, shall comply with federal coding guidelines, including guidelines for diagnosis-related group (DRG) validation

and related audits.

Sec. 531.1024. HOSPITAL UTILIZATION REVIEWS AND AUDITS: PROVIDER EDUCATION PROCESS. The executive commissioner shall by rule develop a process for the commission's office of inspector general, including office staff and any third party with which the office contracts to perform coding services, to communicate with and educate providers about the diagnosis-related group (DRG) validation criteria that the office uses in conducting hospital utilization reviews and audits.

Sec. 531.1027. PERFORMANCE AUDITS AND COORDINATION OF AUDIT ACTIVITIES. (a) Notwithstanding any other law, the commission's office of inspector general may conduct a performance audit of any program or project administered or agreement entered into by the commission or a health and human services agency, including an audit related to:

(1) contracting procedures of the commission or a health and human services agency; or

(2) the performance of the commission or a health and human services agency.

(b) The office shall coordinate the office's audit activities with those of the commission, including the development of audit plans, the performance of risk assessments, and the reporting of findings, to minimize the duplication of audit activities. In coordinating audit activities with the commission under this subsection, the office shall:

(1) seek input from the commission and consider previous audits conducted by the commission for purposes of

determining whether to conduct a performance audit; and

(2) request the results of an audit conducted by the commission if those results could inform the office's risk assessment when determining whether to conduct, or the scope of, a performance audit.

Sec. 531.1203. RIGHTS OF AND PROVISION OF INFORMATION TO PHARMACIES SUBJECT TO CERTAIN AUDITS. (a) A pharmacy has a right to request an informal hearing before the commission's appeals division to contest the findings of an audit conducted by the commission's office of inspector general or an entity that contracts with the federal government to audit Medicaid providers if the findings of the audit do not include findings that the pharmacy engaged in Medicaid fraud.

(b) In an informal hearing held under this section, staff of the commission's appeals division, assisted by staff responsible for the commission's vendor drug program who have expertise in the law governing pharmacies' participation in Medicaid, make the final decision on whether the findings of an audit are accurate. Staff of the commission's office of inspector general may not serve on the panel that makes the decision on the accuracy of an audit.

(c) In order to increase transparency, the commission's office of inspector general shall, if the office has access to the information, provide to pharmacies that are subject to audit by the office or an entity that contracts with the federal government to audit Medicaid providers information relating to the extrapolation methodology used as part of the audit and the methods used to determine whether the pharmacy has been overpaid under Medicaid in

sufficient detail so that the audit results may be demonstrated to be statistically valid and are fully reproducible.

SECTION 10. The following provisions are repealed:

(1) Section 531.1201(c), Government Code; and

(2) Section 32.0422(k), Human Resources Code, as amended by S.B. 219, Acts of the 84th Legislature, Regular Session, 2015.

SECTION 11. Notwithstanding Section 531.004, Government Code, the Sunset Advisory Commission shall conduct a special-purpose review of the overall performance of the Health and Human Services Commission's office of inspector general. In conducting the review, the Sunset Advisory Commission shall particularly focus on the office's investigations and the effectiveness and efficiency of the office's processes, as part of the Sunset Advisory Commission's review of agencies for the 87th Legislature. The office is not abolished solely because the office is not explicitly continued following the review.

SECTION 12. Section 531.102, Government Code, as amended by this Act, applies only to a complaint or allegation of Medicaid fraud or abuse received by the Health and Human Services Commission or the commission's office of inspector general on or after the effective date of this Act. A complaint or allegation received before the effective date of this Act is governed by the law as it existed when the complaint or allegation was received, and the former law is continued in effect for that purpose.

SECTION 13. Not later than March 1, 2016, the executive commissioner of the Health and Human Services Commission in

consultation with the inspector general of the office of inspector general shall adopt rules necessary to implement the changes in law made by this Act to Section 531.102(g)(2), Government Code, regarding the circumstances in which a payment hold may be placed on claims for reimbursement submitted by a Medicaid provider.

SECTION 14. As soon as practicable after the effective date of this Act, the executive commissioner of the Health and Human Services Commission shall adopt the rules establishing the process for communicating with and educating providers about diagnosis-related group (DRG) validation criteria under Section 531.1024, Government Code, as added by this Act.

SECTION 15. Sections 531.120 and 531.1201, Government Code, as amended by this Act, apply only to a proposed recoupment of an overpayment or debt of which a provider is notified on or after the effective date of this Act. A proposed recoupment of an overpayment or debt that a provider was notified of before the effective date of this Act is governed by the law as it existed when the provider was notified, and the former law is continued in effect for that purpose.

SECTION 16. Not later than March 1, 2016, the executive commissioner of the Health and Human Services Commission in consultation with the inspector general of the office of inspector general shall adopt rules necessary to implement Section 531.1203, Government Code, as added by this Act.

SECTION 17. If before implementing any provision of this Act a state agency determines that a waiver or authorization from a federal agency is necessary for implementation of that provision,

the agency affected by the provision shall request the waiver or authorization and may delay implementing that provision until the waiver or authorization is granted.

SECTION 18. This Act takes effect September 1, 2015.
