3 aerospace activities;

4 (B) support the retention, development, and  
5 expansion of spaceports in this state;

6 (C) create a business-friendly environment to  
7 assist commercial providers in the aerospace industry in conducting  
8 business in this state;

9 (D) promote, develop, and expand tourism related  
10 to the aerospace industry;

11 (E) identify and encourage educational,  
12 economic, and defense-related opportunities for aerospace  
13 activities;

14 (F) increase funding for the spaceport trust fund  
15 created under Section [481.0069](#) and support ongoing projects that  
16 have been assisted by the fund, including recommending to the  
17 legislature an appropriate funding level for the fund;

18 (G) foster technological advancement and  
19 economic development for spaceport activities by strengthening  
20 higher education programs and supporting aerospace activities; and

21 (H) support initiatives that address the  
22 high-technology skills and staff resources needed to better promote  
23 the state's efforts in becoming the leading space exploration state  
24 in the nation;

25 (6) act as a liaison with other state and federal  
26 entities with related economic, educational, and defense  
27 responsibilities to support the marketing of the state's aerospace

1 and aviation capabilities;

2 (7) [~~(6)~~] provide technical support and expertise to  
3 the state and to local spaceport authorities regarding aerospace  
4 and aviation business matters; and

5 (8) [~~(7)~~] be responsible for the promotion and  
6 development of spaceports in this state.

7 (d-1) The aerospace and aviation office shall make specific  
8 short-term and long-term statutory, administrative, and  
9 budget-related recommendations to the legislature and the governor  
10 regarding the policy initiatives and reforms described by  
11 Subsection (d)(5) that may be implemented by the state. The  
12 short-term recommendations must include two-year and four-year  
13 plans for state action that may be implemented or achieved on or  
14 before September 1, 2019, and September 1, 2021, respectively. The  
15 long-term recommendations must include 5-year, 10-year, and  
16 15-year plans for state action that may be implemented or achieved  
17 on or before September 1, 2022, September 1, 2027, and September 1,  
18 2032, respectively. The aerospace and aviation office shall submit  
19 these recommendations to the legislature and governor with the  
20 biennial report required by Subsection (d-2) not later than  
21 December 1, 2016. This subsection expires September 1, 2017.

22 (d-2) Not later than December 1 of each even-numbered year,  
23 the aerospace and aviation office shall submit to the legislature  
24 and governor, in printed or electronic form, a report detailing the  
25 actions taken by the aerospace and aviation office in carrying out  
26 the policy initiatives and reforms under Subsection (d)(5) to  
27 further the purposes of the industry-specific strategic plan as

1 specified in the recommendations required by Subsection (d-1),  
2 including:

3 (1) the status of all projects and activities;  
4 (2) the funding of expenditures;  
5 (3) the planning and research conducted;  
6 (4) the provision of community and technical  
7 assistance;

8 (5) the collection of information; and

9 (6) an explanation of the ways in which the aerospace  
10 and aviation office has promoted the state's economic development  
11 goals through increased space exploration activities.

12 (e) The governor shall appoint an aerospace and aviation  
13 advisory committee consisting of seven qualified members to assist  
14 in the state's economic development efforts to recruit and retain  
15 aerospace and aviation jobs and investment. The committee must  
16 consist of:

17 (1) one member who represents the interests of an  
18 active spaceport development corporation created in the lower Gulf  
19 Coast area of the state;

20 (2) one member who represents the interests of an  
21 active spaceport development corporation created in the West Texas  
22 area of the state;

23 (3) three members with an aerospace professional

18 state, local, and private community economic development programs  
19 that assist or provide loans, grants, or other funding to aerospace  
20 industry activities.

21           (e-2) Members of the aerospace and aviation advisory  
22 committee:

23                   (1) shall serve staggered four-year terms; and

24                   (2) may not receive compensation for serving on the  
25 committee.

26           SECTION 2. (a) The terms of the current members of the  
27 aerospace and aviation advisory committee expire on the effective

1 date of this Act. On that date or as soon as possible after that  
2 date, the governor shall appoint new members to the aerospace and  
3 aviation advisory committee in accordance with the requirements of  
4 Section 481.0066(e), Government Code, as amended by this Act. The  
5 governor shall designate four members of the committee whose terms  
6 expire on February 1, 2017, and three members of the committee whose  
7 terms expire on February 1, 2019.

8 (b) A member of the aerospace and aviation advisory  
9 committee serving immediately before the effective date of this Act  
10 is eligible for reappointment to the committee if the person has the  
11 qualifications for a member under Section 481.0066(e), Government  
12 Code, as amended by this Act.

13 SECTION 3. This Act takes effect September 1, 2015.
