S.B. No. 1283

A BILL TO BE ENTITLED

AN ACT

relating to the exemption from certain registration and licensing requirements and taxes for certain businesses and employees who enter this state in response to a disaster or emergency.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Subtitle C, Title 5, Business & Commerce Code, is amended by adding Chapter 112 to read as follows:

CHAPTER 112. FACILITATING BUSINESS RAPID RESPONSE TO STATE

DECLARED DISASTERS ACT

Sec. 112.001. SHORT TITLE. This chapter may be cited as the Facilitating Business Rapid Response to State Declared Disasters Act.

Sec. 112.002. LEGISLATIVE FINDINGS. The legislature finds that:

(1) during times of storm, flood, fire, earthquake, hurricane, or other disaster or emergency, many Texas businesses bring in resources and personnel from other states on a temporary basis to expedite the often enormous and overwhelming tasks of cleaning up, restoring, and repairing damaged buildings, equipment, and property, and deploying and building new replacement facilities in the state;

(2) accomplishing those tasks may necessitate out-of-state businesses, including out-of-state affiliates of Texas businesses, bringing into Texas resources, property, and

1 personnel that previously had no connection to Texas to perform  
2 business activities in Texas, including repairing, renovating,  
3 installing, and building, for extended periods of time;

4 (3) during those periods of time, out-of-state  
5 businesses and employees performing business activities in Texas on  
6 a temporary basis solely for the purpose of helping the state  
7 recover from a disaster or emergency should not be burdened by any  
8 requirements that the out-of-state businesses or employees pay  
9 taxes as a result of performing those activities;

10 (4) Texas' nexus and residency thresholds are intended  
11 for businesses and individuals who intend to conduct regular  
12 business operations in the state or to permanently reside in the  
13 state and should not be applied to businesses and individuals who  
14 come to the state on a temporary basis to provide help and  
15 assistance in response to a disaster or emergency; and

16 (5) to ensure that out-of-state businesses may focus  
17 on quickly responding to the needs of Texas and its citizens during  
18 a disaster or emergency, it is appropriate for the legislature to  
19 provide that those businesses and their employees are not subject  
20 to certain state and local registration and licensing requirements  
21 and taxes for performing business activities before, during, and  
22 after the disaster or emergency to repair and restore devastating  
23 damage to critical property and infrastructure in the state.

24 Sec. 112.003. DEFINITIONS. (a) In this chapter:

25 (1) "Critical infrastructure" means equipment and  
26 property that is owned by or used for communications networks,

14 (3) "Disaster- or emergency-related work" means  
15 repairing, renovating, installing, building, rendering services,

18 impaired, or destroyed by a declared state disaster or emergency.

19 (4) "Disaster response period" means the period that:

20 (A) begins on the 10th day before the date of the  
21 earliest event establishing a declared state disaster or emergency  
22 by the issuance of an executive order or proclamation by the  
23 governor, a declaration of the president of the United States, or  
24 the designation of an authorized state official; and

25 (B) ends on the 60th day after the ending date of  
26 the disaster or emergency period established by the executive order  
27 or proclamation, declaration, or designation or on a later date as

1 determined by the secretary of state.

21 state during the disaster response period.

22 (7) "Out-of-state employee" means an employee who  
23 enters this state to perform disaster- or emergency-related work  
24 during a disaster response period.

25 (b) For purposes of this chapter, a foreign entity may be

27 entity is affiliated with an in-state business entity through
