11 district that:

12 (A) is created by general or special law pursuant
13 to Section 59, Article XVI, Texas Constitution;

15 provisions of that chapter are not inconsistent with the provisions

3 acreage of the area if the preliminary engineering report adopted
4 by the board before the authorization of bonds stipulates that
5 approximately 87-1/2 percent of the net residential acreage will
6 consist of single-family residences; provided, however, that on the
7 full utilization of all facilities constructed with the proceeds of
8 the bonds authorized, the definition of "residential neighborhood"
9 stated in the first sentence of this subdivision applies. A
10 variance of as much as three percent from the percentages set forth
11 above is permissible during development if the percentages are met
12 on completion of development.

13 (6) "Subdistrict" means a conservation and
14 reclamation district created pursuant to Section 59, Article XVI,

18 neighborhoods.

19 (7) "Subdistrict board" means the board of directors
20 of a subdistrict.

21 Sec. 51A.002. REFUNDING BONDS. (a) A district may issue
22 bonds to refund all or part of its outstanding bonds, notes, or
23 other obligations, including matured but unpaid interest. Except
24 as otherwise provided by this section, Section 51.438 applies to
25 refunding bonds issued under this section.

26 (b) Refunding bonds may be payable from:

27 (1) the same source as the bonds, notes, or other

1 obligations being refunded;

2 (2) the source described by Subdivision (1) and
3 additional sources; or

4 (3) sources other than the source described by
5 Subdivision (1).

6 (c) A district must publish notice of intent to issue
7 refunding bonds at least once a week for two consecutive weeks in a
8 newspaper of general circulation within the district and at least
9 15 days before the date of the meeting of the board at which it is
10 proposed to issue the bonds. Before the issuance of the bonds, if a
11 petition signed by not less than 10 percent of the registered voters
12 of the district is filed with the district calling for a referendum
13 on the refunding bond issue, the board shall, at its next meeting,
14 order an election to be held within the district to determine
15 whether the bonds shall be issued. The election shall be held in
16 the manner prescribed by Chapter 1251, Government Code, for the
17 issuance of municipal bonds.

18 Sec. 51A.003. CREATION OF SUBDISTRICTS. (a) The
19 commission may create subdistricts over designated territory
20 within the boundaries of a district as provided by this section.

23 commission.

24 (c) The commission shall have notice of the hearing on the
25 petition given in the manner required by Section 51.018.

26 (d) The hearing must be conducted in the manner provided by
27 Section 51.020, and the commission shall grant or refuse the

1 petition in the manner provided by Section 51.021. An appeal from
2 the decision of the commission must be made in the manner provided
3 by Sections 51.022 through 51.025. The commission shall appoint
4 five directors to serve as the subdistrict board, each of whom must
5 meet the qualifications provided by Section 51.072.

6 (e) Not later than the 60th day after the date on which a
7 petition for the creation of a subdistrict is granted by the
8 commission, the subdistrict board shall adopt an order calling
9 elections within the boundaries of the subdistrict in the manner
10 provided by Subchapter D, Chapter 49, to:

11 (1) confirm the creation of the subdistrict in the
12 manner provided by Section 49.102;

13 (2) authorize the issuance of bonds by the subdistrict
14 or by the district on behalf of the subdistrict to be repaid by ad
15 valorem taxes, revenue, or ad valorem taxes and revenue derived by
16 the subdistrict;

17 (3) authorize a tax within the boundaries of the
18 subdistrict to make payments under a contract with the district to
19 support refunding bonds of the district in accordance with the
20 exclusions procedure provided by Section 51A.005;

21 (4) authorize a maintenance tax within the boundaries
22 of the subdistrict in the manner provided by Section 49.107; and

23 (5) elect a permanent board of directors for the
24 subdistrict in the manner provided by Subchapter D, Chapter 49, and
25 Section 51.075.

26 (f) A subdistrict:

27 (1) may sue and be sued in its own name;

1 (2) until excluded from the boundaries of the district
2 in accordance with Section 51A.005, has concurrent jurisdiction
3 with the district that is in the territory within the boundaries of
4 the subdistrict; and

5 (3) may exercise the rights and powers of the district
6 within the boundaries of the subdistrict.

7 (g) The ad valorem plan of taxation applies to each
8 subdistrict, and a hearing for exclusions of land from a
9 subdistrict is not necessary before an election under Subsection
10 (e) is held.

11 (h) A subdistrict may be dissolved in the same manner as a
12 district.

13 (i) A subdistrict is governed by Chapter 51 and all other
14 general laws of this state to the extent those laws are not
15 inconsistent with this chapter.

16 Sec. 51A.004. SUBDISTRICT BONDS. (a) Before adopting an
17 order calling elections under Section 51A.003(e), the engineer for
18 a subdistrict shall present a report to the subdistrict board that
19 conforms to Section 51.410 with regard to the bonds to be issued by
20 the subdistrict or by the district on behalf of the subdistrict.

21 (b) After the engineer's report is filed and approved, the
22 subdistrict board shall order an election within the boundaries of
23 the subdistrict to authorize the issuance of bonds by the
24 subdistrict or by the district on behalf of the subdistrict in
25 accordance with this chapter and Sections 49.106 and 51.411.

26 (c) Bonds authorized at an election within the subdistrict
27 may only be repaid from ad valorem taxes imposed on all taxable

1 property within the boundaries of the subdistrict or income,
2 increment, and revenue derived from the ownership or operation of
3 any part of the assets of the subdistrict or any combination of
4 those sources. The district is not liable for the repayment of
5 those bonds except as provided by this subsection.

6 (d) A subdistrict may issue refunding bonds as provided by
7 Section 51A.002.

8 (e) Bonds issued by a subdistrict or by the district on
9 behalf of the subdistrict are investment securities under Chapter
10 2257, Government Code, are public securities under Chapter 1201,
11 Government Code, and are subject to the general laws of this state
12 relating to bonds of a water control and improvement district to the
13 extent that those general laws are not inconsistent with this
14 chapter.

15 Sec. 51A.005. EXCLUSION OF TERRITORY WITHIN SUBDISTRICT.

16 (a) A subdistrict board shall call an election within the
17 subdistrict to coincide with the confirmation election under
18 Section 51A.003(e) at which a proposition shall be submitted to the
19 voters to authorize the subdistrict to enter into a contract with
20 the district under which the subdistrict would impose an unlimited
21 ad valorem tax on all taxable property within the subdistrict to
22 repay to the district a portion of the district's total outstanding
23 indebtedness. That portion would be calculated by multiplying the
24 total outstanding indebtedness of the district on the date of the
25 first payment under the proposed contract by a percentage equal to
26 the proportion of the total taxable property within the district
27 borne by the total taxable property within the subdistrict, as of

1 the date of the preceding tax roll.

2 (b) The ballots in the election under Subsection (a) shall
3 be printed to provide for voting for or against the following
4 proposition: "The execution of a contract and the imposition of
5 taxes to pay for the contract." A copy of the proposed contract
6 shall be available at the office of the district for inspection
7 before the election. The election shall otherwise be conducted in
8 conformity with the provisions of Chapter 51 relating to elections
9 to approve a tax-supported contract with the United States.

10 (c) If the proposition is approved at the election under
11 Subsection (a), the board of the district shall, on receipt of a
12 petition that conforms substantially to Section 49.305 and
13 describes the territory within the subdistrict, conduct a hearing
14 not later than the 30th day after the date of receipt of the
15 petition on the exclusion of the subdistrict from the boundaries of
16 the district.

17 (d) If the subdistrict board establishes at the hearing that
18 the subdistrict has been created, has authorized the issuance of
19 bonds by the subdistrict or by the district on behalf of the
20 subdistrict, has authorized the tax-supported contract payment,
21 and has elected a permanent board of directors, the board of the
22 district shall, at the conclusion of the hearing, enter an order
23 approving the contract supported by a tax within the subdistrict
24 and excluding all land within the subdistrict from the boundaries
25 of the district contingent only on the completion of the refunding
26 bond issue.

27 (e) Refunding bonds may be issued by a district to implement

1 the exclusion of land within a subdistrict under any terms that are
2 considered advisable by the board of the district and are only
3 subject to the interest rate limitations imposed by the
4 constitution and laws of this state. If refunding bonds are not
5 issued by a district on or before the 30th day after the date of the
6 hearing at which the subdistrict establishes all items in
7 Subsection (d), all property within the subdistrict is considered
8 excluded from the boundaries of the district on the expiration of
9 the 30th day after the date of the hearing.

10 (f) Any subdistrict located within a service area as defined
11 by a United States Environmental Protection Agency grant used by a
12 district to expand its wastewater treatment plant shall obtain
13 wastewater treatment services to the extent of capacity provided
14 with the United States Environmental Protection Agency grant
15 proceeds from the wastewater treatment plant constructed with the
16 prior proceeds of the United States Environmental Protection Agency
17 grant in accordance with the terms of a contract approved by the
18 governing bodies of the subdistrict and the district.

19 (g) To reduce the cost of services to its residents and
20 taxpayers, the subdistrict shall use the employees, consultants,
21 staff, and services of the district and reimburse the district for
22 all costs of furnishing those services. The services may be
23 terminated for good cause. The subdistrict and the district shall
24 submit to arbitration any dispute between the subdistrict and the
25 district.

26 Sec. 51A.006. WATER AND SEWER RATES. A district shall
27 establish rates for all services to subdistricts after the

1 exclusion of the subdistricts from the boundaries of the district.
2 The rates may not exceed 150 percent of the rates for similar
3 services for residents of the district.

4 Sec. 51A.007. ELECTION DATES. An election authorized by
5 this chapter may be held on any day of the year other than a general
6 election date and is not limited to the uniform election dates
7 established by Section [41.001\(a\)](#), Election Code.

8 Sec. 51A.008. PUBLIC PURPOSE. This chapter facilitates and
9 advances the conservation and reclamation of the natural resources
10 of this state by permitting certain water control and improvement
11 districts to extend fresh water supply and distribution facilities,
12 storm water and flood control facilities, and sanitary sewage
13 collection and treatment facilities into areas that have previously
14 not received such facilities. The reclamation of land for
15 development and use as residential neighborhoods will be
16 implemented and the health, welfare, and safety of residents of
17 those neighborhoods will be additionally protected.

18 Sec. 51A.009. CONSTRUCTION. The powers granted by this
19 chapter to districts shall be broadly interpreted and liberally
20 construed to effect the legislative intent and the purposes of this
21 chapter and not as a limitation of powers.

22 (b) Chapter 702 (S.B. 1358), Acts of the 68th Legislature,
23 Regular Session, 1983 (Article [717r](#), Vernon's Texas Civil
24 Statutes), is repealed.

25 SECTION 19.005. (a) Chapter 49, Water Code, is amended to
26 codify Chapter 707 (H.B. 993), Acts of the 69th Legislature,
27 Regular Session, 1985 (Article 973c, Vernon's Texas Civil

1 Statutes), by adding Subchapter J-1 to read as follows:

2 SUBCHAPTER J-1. EXCLUSION OF URBAN PROPERTY FROM CERTAIN WATER
3 DISTRICTS

4 Sec. 49.3181. DEFINITIONS. As used in this subchapter:

5 (1) "District" means any district or authority created
6 under Sections 52(b)(1) and (2), Article III, or Section 59,
7 Article XVI, Texas Constitution, the principal purpose of which is,
8 or that is principally engaged in, supplying water for the
9 irrigation of agricultural lands.

10 (2) "Urban property" means land that:

11 (A) has been subdivided into town lots, town lots
12 and blocks, or small parcels of the same general nature as town lots
13 or town lots and blocks and is designed, intended, or suitable for
14 residential or other nonagricultural purposes, as distinguished
15 from farm acreage, and includes streets, alleys, parkways, parks,
16 and railroad property and rights-of-way within that subdivided
17 land; and

18 (B) is in a subdivision:

19 (i) that is within the corporate limits or
20 extraterritorial jurisdiction of a municipality that has
21 subdivision approval jurisdiction under Chapter 212, Local
22 Government Code; and

23 (ii) for which a plat or map has been filed
24 and recorded in the office of the county clerk of the county in
25 which the subdivision or any part of the subdivision is located.

26 Sec. 49.3182. CONDITIONS FOR EXCLUSION OF URBAN PROPERTY.

27 Urban property that is located in a district may be excluded from

1 the district as provided by this subchapter only after the
2 following have been paid to the district:

3 (1) all taxes, assessments, and other charges of the
4 district accrued on the property to be excluded, together with all
5 interest and penalties accrued on those taxes, assessments, and
6 charges;

7 (2) the proportionate part of the outstanding bonded
8 indebtedness or indebtedness in connection with a loan from an
9 agency of the United States for which the property proposed to be
10 excluded is liable, as determined under this subchapter; and

11 (3) agreement on a reasonable determined amount to be
12 paid by the municipality or other supplier of potable water to
13 compensate the district for loss of revenue occasioned by the
14 exclusion.

15 Sec. 49.3183. APPLICATION FOR EXCLUSION. (a) The owner or
16 owners of urban property in a district and subject to taxation by
17 the district, and on which all amounts due the district under
18 Section 49.3182(1) have been paid, may file a written and sworn
19 application with the district to exclude that property from the
20 district.

21 (b) The application must:

22 (1) include a sworn acknowledgment by the owner or
23 owners of the property;

24 (2) describe the property to be excluded by
25 identifying the lot or block number of the subdivision and the name
26 or designation of the subdivision as shown on the recorded plat of
27 the subdivision, or by some other method of identification; and

1 (3) state that the property is used or intended to be
2 used for the purposes for which it was subdivided and is not used or
3 intended to be used, wholly or partly, for agricultural purposes.

4 (c) A copy of the recorded map or plat of the subdivision
5 must accompany the application and must clearly delineate the part
6 of the subdivision, if less than the whole, to be excluded from the
7 district.

8 (d) The applicant must also provide the district with
9 evidence satisfactory to, or required by, the board of the
10 applicant's:

11 (1) ownership of the property proposed to be excluded;
12 and

13 (2) right to have the property excluded from the
14 district.

15 Sec. 49.3184. CONSIDERATION OF APPLICATION. (a) As soon
16 as practicable after an application is filed, the board shall
17 consider the application and inquire into all the facts relating to
18 the application that the board considers necessary for determining
19 whether a public hearing on the application should be held.

20 (b) After consideration and investigation, the board shall
21 adopt an order approving further consideration of the application
22 if the board finds that:

23 (1) all amounts due the district under Section
24 49.3182(1) up to the date of the filing of the application have been
25 paid;

26 (2) the property described in the application:

27 (A) is owned by the applicant;

1 (B) is urban property and is not used or intended
2 to be used for agricultural purposes; and

3 (C) will require a source of treated potable
4 water from the municipality in which the subdivision is located;
5 and

6 (3) the exclusion of the property will not cut off the
7 district or its facilities from ready and convenient access to
8 other land remaining in the district for irrigation or other
9 district purposes.

10 (c) If the board is unable to make any one of the findings
11 under Subsection (b), it shall adopt a resolution rejecting the
12 application.

13 (d) A resolution of the board rejecting an application is
14 final and not subject to review by any other body, tribunal, or
15 authority.

16 Sec. 49.3185. DETERMINATION OF PROPORTIONATE AMOUNT OF
17 INDEBTEDNESS. (a) If the board approves further consideration of
18 an application, the board shall determine the proportionate amount
19 of the bonded or contractual indebtedness for which the property to
20 be excluded is liable as provided by this section.

21 (b) If the district has outstanding bonded indebtedness,
22 the board shall obtain from the chief appraiser a certified copy of
23 the appraised value of all the property to be excluded for the five
24 years preceding the year in which the application is filed, as shown
25 by the tax rolls of the district, and the appraised value of all
26 taxable property in the district according to the most recent tax
27 rolls of the district. The part of the district's total outstanding

1 bonded indebtedness to be paid by the applicant as a condition
2 precedent to the exclusion of the property is that proportion of the
3 indebtedness, including unpaid interest computed to the date of the
4 order, that the appraised value of the property to be excluded bears
5 to the appraised value of all taxable property in the district
6 according to the most recent tax rolls.

7 (c) If the district has contractual or other indebtedness
8 being repaid on the benefit tax basis, the board shall obtain from
9 the appropriate records the manner in which the tax is assessed, and
10 from those records the district shall calculate the part of the
11 total outstanding indebtedness of the district remaining to be paid
12 that is attributable to the property to be excluded.

13 (d) The order of the board approving further consideration
14 of the application must also state the amounts required to be paid
15 under Section 49.3182 as a condition of the exclusion of the
16 property.

17 Sec. 49.3186. DEADLINE FOR PAYMENT OF AMOUNTS DUE. The
18 order of the board approving further consideration of the
19 application has no force or effect and no further proceeding may be
20 held on the application unless the applicant deposits with the
21 district the amounts due under Section 49.3182 not later than:

22 (1) the 20th day after the date on which the order was
23 adopted; or

24 (2) the expiration of a period not to exceed 30 days
25 after the date on which the order was adopted as ordered by the
26 board.

27 Sec. 49.3187. NOTICE AND HEARING. (a) If the deposit is

1 made within the time provided by Section 49.3186, the board shall
2 order a public hearing to be held on the application at the regular
3 office of the district not less than 15 or more than 30 days after
4 the date of the hearing order.

14 or intended to be used for agricultural purposes, the board shall
15 adopt a resolution setting forth those findings and excluding the

21 district rights to maintain and continue operation of the
22 facilities as located to service land remaining in the district.

23 (c) A copy of the resolution excluding urban property from
24 the district certified to and acknowledged by the secretary of the

17 the land with a potable water supply may petition the district to
18 convert the proportionate water rights previously allocated for the
19 land from irrigation use rights to municipal use rights for the use
20 and benefit of the municipality or other municipal supplier. The
21 district shall compute the proportionate water rights available and
22 shall initiate administrative proceedings to convert the
23 irrigation use rights to municipal use rights. Before the district
24 is obligated to initiate the administrative proceedings, the
25 municipality or other municipal supplier must deposit with the
26 district the amount that the district estimates the district will
27 incur as reasonable expenses and attorney's fees in those

1 proceedings. On approval of the conversion by the commission, the

6 bank's right to treat the account as owned by a trustee ceases on
7 the death of the trustee. On the death of the trustee or of the
8 survivor of two or more trustees, the bank, unless the certificate
9 of trust provides otherwise, shall pay the withdrawal value of the

17 value and interest discharges any liability of the bank to the
18 extent of the payment. The bank may pay all or part of the
19 withdrawal value and interest in the manner provided by this

27 person's current qualification for the exemption by delivering a

1 written notice that a new application is required, accompanied by
2 an appropriate application form, to the person previously allowed

20 January 1 and continued to qualify for the exemption for the
21 remainder of the tax year.

22 (b) If an individual qualifies for an exemption under
23 Section 11.13(c) or (d) or 11.133 [~~11.132~~] with respect to the
24 property after the amount of the tax due on the property is
25 calculated and the effect of the qualification is to reduce the
26 amount of the tax due on the property, the assessor for each taxing
27 unit shall recalculate the amount of the tax due on the property and

1 correct the tax roll. If the tax bill has been mailed and the tax on
2 the property has not been paid, the assessor shall mail a corrected
3 tax bill to the person in whose name the property is listed on the
