2-17 EASEMENT. (a) An agricultural conservation easement under this

2-18 chapter [~~subchapter~~] must be perpetual or for a term of 30 years.

2-19 (b) The owner of qualified land and a potential purchaser of

2-20 an agricultural conservation easement should consider and

2-21 negotiate easement terms, including the following considerations:

2-22 (1) whether the landowner will receive a lump sum or

2-23 annual payments;

2-24 (2) whether the term of the easement shall be

2-25 perpetual or for a term of 30 years;

2-26 (3) whether a term easement is renewable;

2-27 (4) whether the landowner retains limited development

2-28 rights; and

2-30 (c) An agricultural conservation easement may not be

2-38 the conservation goals as described by Section 84.002(1)

2-39 [~~183.052(1)~~]. The termination request must contain a verifiable

2-40 statement of impossibility.

2-41 (b) On receipt of the request for termination, the council

2-43 Not later than the 180th day after the date the council receives the

2-44 request, the council shall notify the parties of the decision to

2-45 grant or deny the request for termination. Either party may appeal

2-46 the decision in district court not later than the 45th day after the

2-47 date of the notification.

2-48 Sec. 84.006 [~~183.056~~]. REPURCHASE BY LANDOWNER. (a) In

2-49 this section:

2-50 (1) "Agricultural value" means the price as of the

2-51 appraisal date a buyer willing, but not obligated, to buy would pay

2-53 composition to the subject property, but located in the nearest

2-54 location where profitable farming or ranching is feasible.

2-55 (2) "Fair market value" means the price as of the

2-56 appraisal date that a buyer willing, but not obligated, to buy would

2-57 pay for the land at its best and most beneficial use under any

2-58 obtainable development zoning category.

2-59 (b) If a request for termination of an agricultural

2-60 conservation easement is granted under Section 84.005 [~~183.055~~],

2-61 the director [~~commissioner~~] shall order an appraisal of the fair

2-62 market value and the agricultural value of the property subject to

2-63 the easement. The landowner shall bear the cost of the appraisal.

2-64 (c) Not later than the 180th day after the date of the

2-65 appraisal under Subsection (b), the landowner must pay to the

2-66 qualified easement holder an amount equal to the difference between

2-67 the fair market value and the agricultural value. The qualified

2-68 easement holder shall pay to the fund any amounts received under

2-69 this subsection, not to exceed the amount paid by the fund for

3-1 purchase of the easement.

3-2 (d) Not later than the 30th day after the date of payment by

3-3 the landowner under Subsection (c), the qualified easement holder

3-4 shall terminate the easement.

3-5 (e) If the request for termination is denied or if the

3-11 (a) A department or agency of this state, a county, a

3-12 municipality, another political subdivision, or a public utility

3-13 may not approve any program or project that requires the use or

3-14 taking through eminent domain of private land encumbered by an

3-15 agricultural conservation easement purchased under this chapter

3-16 [~~subchapter~~] unless the governmental entity or public utility

3-17 acting through its governing body or officers determines that:

3-18 (1) there is no feasible and prudent alternative to

3-19 the use or taking of the land; and

3-20 (2) the program or project includes all reasonable

3-21 planning to minimize harm to the land resulting from the use or

3-22 taking.

3-23 (b) A determination required by Subsection (a) may be made

3-24 only at a properly noticed public hearing.

3-25 (c) The governing body or officers of the governmental

3-26 entity or public utility may consider clearly enunciated local

3-27 preferences, and the provisions of this chapter [~~subchapter~~] do not

3-28 constitute a mandatory prohibition against the use of the area if

3-29 the determinations required by Subsection (a) are made.

3-30 (d) If, after making the determination required by

3-31 Subsection (a), a department or agency of this state, a county, a

3-32 municipality, another political subdivision, or a public utility

3-33 acquires by eminent domain a fee simple interest in land encumbered

3-34 by an agricultural conservation easement purchased under this

3-35 chapter [~~subchapter~~]:

3-36 (1) the easement on the condemned property terminates;

3-37 and

3-38 (2) the entity exercising the power of eminent domain

3-39 shall:

3-40 (A) pay for an appraisal of the fair market

3-41 value, as that term is defined by Section 84.006 [~~183.056~~], of the

3-42 property subject to condemnation;

3-43 (B) pay to the qualified easement holder an

3-44 amount equal to the amount paid by the holder for the portion of the

3-45 easement affecting the property to be condemned;

3-46 (C) pay to the landowner an amount equal to the

3-47 fair market value of the condemned property less the amount paid to

3-48 the qualified easement holder under Paragraph (B); and

3-49 (D) pay to the landowner and the qualified

3-50 easement holder any additional damages to their interests in the

3-51 remaining property, as determined by the special commissioners

3-52 under Section 21.042, Property Code.

3-53 (e) If, after making the determination required by

3-54 Subsection (a), a department or agency of this state, a county, a

3-55 municipality, another political subdivision, or a public utility

3-56 acquires by eminent domain an interest other than a fee simple

3-57 interest in land encumbered by an agricultural conservation

3-58 easement purchased under this chapter [~~subchapter~~]:

3-59 (1) the entity exercising the power of eminent domain

3-60 shall pay for an appraisal of the fair market value, as that term is

3-61 defined by Section 84.006 [~~183.056~~], of the property subject to

3-62 condemnation; and

3-63 (2) the special commissioners shall consider the fair

3-64 market value as the value of the property for purposes of assessing

3-65 damages under Section 21.042, Property Code.

3-66 (f) The qualified easement holder shall pay to the fund any

3-67 amounts received under Subsections (d) and (e), not to exceed the

3-68 amount paid by the fund for the purchase of the easement.

4-23 reimbursement of appraisal costs; and

4-53 habitat or water; and  
4-54 (10) approve the termination of easements and take any
