(c) A district or school establishing a program under this section shall seek to establish partnerships with financial institutions, public sector partners, private businesses, nonprofit organizations, or philanthropic organizations in the community. A partnership between a district or school and:

(1) a financial institution may allow a student in the program or another adult in the student's family to have an opportunity to establish an account described under Subsection (b); and

(2) a financial institution, public sector partner, private business, or nonprofit or philanthropic organization may provide:

(A) a structure for the management of the program; and

(B) incentives that encourage contribution to a school-based account under Subsection (b), including incentives that provide matching funds or seed funding.

SECTION 2. Section 56.007, Education Code, is amended to read as follows:

Sec. 56.007. EXCLUSION OF ASSETS IN PREPAID TUITION PROGRAMS AND HIGHER EDUCATION SAVINGS PLANS. Notwithstanding any other law, the right of a person to assets held in or the right to receive payments or benefits under any fund, school-based account,
or plan established under Section 28.0024(b)(2) up to the amount of the highest cost of undergraduate resident tuition and required fees for a 30-semester hour academic year at a Texas public college or university or Subchapter G, H, or I, Chapter 54, including an interest in a savings trust account, prepaid tuition account, or related matching account, may not be considered an asset of the person, or otherwise included in the person's household income or other financial resources, for purposes of determining the person's eligibility for a TEXAS grant or any other state-funded student financial assistance.

SECTION 3. Section 31.0039, Human Resources Code, is amended to read as follows:

Sec. 31.0039. EXCLUSION OF ASSETS IN PREPAID TUITION PROGRAMS AND HIGHER EDUCATION SAVINGS PLANS. For purposes of determining the amount of financial assistance granted to an individual under this chapter for the support of dependent children or determining whether the family meets household income and resource requirements for financial assistance under this chapter, the department may not consider the right to assets held in or the right to receive payments or benefits under:

(1) any fund, school-based account, or plan established under Section 28.0024(b)(2), Education Code, up to the amount of the highest cost of undergraduate resident tuition and required fees for a 30-semester hour academic year at a Texas public college or university or Subchapter G, H, or I, Chapter 54, Education Code, including an interest in a savings trust account, prepaid tuition contract, or related matching account; or

SECTION 4. Subchapter A, Chapter 33, Human Resources Code,
is amended by adding Section 33.0291 to read as follows:

Sec. 33.0291. EXCLUSION OF SCHOOL-BASED ACCOUNTS. For
purposes of determining whether a person meets family income and
resource requirements for eligibility for the supplemental
nutrition assistance program, the commission may not consider as
income or resources a right to assets held in or a right to receive
payments or benefits under a school-based account established under
Section 28.0024(b)(2), Education Code up to the amount of the
highest cost of undergraduate resident tuition and required fees
for a 30-semester hour academic year at a Texas public college or
university.

SECTION 5. If before implementing any provision of this Act
a state agency determines that a waiver or authorization from a
federal agency is necessary for implementation of that provision,
the agency affected by the provision shall request the waiver or
authorization and may delay implementing that provision until the
waiver or authorization is granted.

SECTION 6. This Act takes effect immediately if it receives
a vote of two-thirds of all the members elected to each house, as
