A BILL TO BE ENTITLED

AN ACT

relating to the powers, operations, and boundaries of The Woodlands Township; authorizing a fee.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Section 5(b), Chapter 289, Acts of the 73rd Legislature, Regular Session, 1993, is amended to read as follows:

(b) The legislature finds that the creation of the district is essential to further the public purposes of the economic development and diversification of the state, the elimination of unemployment and underemployment, and the stimulation and development of transportation and commerce; that it is in the public interest; and that it will promote the health, safety, and general welfare of residents, employers, employees, and consumers in the district and of the general public. The safe and efficient movement of people by motor vehicle, rail, trolley, bus, bicycle, pedestrian means, waterborne vessel, or other means of transportation is a public purpose of the district. The present and prospective traffic congestion in the district and the safety of pedestrians and the limited availability of funds require the promotion and development of public transportation and pedestrian facilities and systems by new and alternative means, and the district will serve the public purpose of securing expanded and improved transportation and pedestrian facilities and systems. The district will provide needed funding for the Town Center area to

1 preserve, maintain, and enhance the economic health and vitality of
2 the area as a community and business and commerce center. The
