| <p>No fiscal implication to the State is anticipated.</p> |

The bill would prohibit a court from punishing an individual found in contempt of court or who has engaged in delinquent conduct that would constitute contempt of court with confinement in jail or a juvenile detention facility.

The Office of Court Administration does not anticipate a fiscal impact to the state court system. The Juvenile Justice Department does not anticipate a fiscal impact to the state.

Local Government Impact

There may be cost savings associated with prohibiting the use confinement as punishment in jail or a juvenile detention facility; however the reduction in costs are not anticipated to be significant.
