

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 84TH LEGISLATIVE REGULAR SESSION

April 29, 2015

TO: Honorable Angie Chen Button, Chair, House Committee on Economic & Small Business Development

FROM: Ursula Parks, Director, Legislative Budget Board

IN RE: **HB292** by Stephenson (Relating to authorizing development corporations to finance projects to support primary job training facilities and programs at certain educational institutions.), **As Introduced**

<p>No significant fiscal implication to the State is anticipated.</p>
--

The bill would add Section 501.1021 to Chapter 501 of the Local Government Code relating to job training facilities and programs at certain educational institutions. The bill would provide that a project includes expenditures to support job training facilities, programs or equipment at a public junior college, public technical institute, or a high school located in a corporation's authorizing municipality; and a public junior college whose service area includes any portion of a corporation's authorizing municipality. A development corporation could wholly or partially fund job training facilities and programs at educational institutions.

The bill would amend Subchapter D of the Local Government Code to specify projects to support primary job training facilities and programs at certain educational institutions that Type A and Type B economic development corporations could undertake; and would authorize the use of sales and use tax revenue to fund the newly authorized projects if a municipality holds an election and the proposition is approved by a majority of the registered voters in the election.

The Texas Education Agency (TEA) indicated the bill would have no direct fiscal implications for the Foundation School Program or the operations of the TEA.

The Comptroller of Public Accounts indicated the bill would have no state revenue implications and no effect on the state's cash flow.

According to the Office of the Attorney General, any legal work resulting from the passage of the bill could be reasonably absorbed with current resources.

The bill would take effect immediately if it receives a vote of two-thirds of all members elected to each house. If the bill does not receive the votes required to pass, the bill would take effect September 1, 2015.

Local Government Impact

According to the Comptroller of Public Accounts, the bill would have no impact on local governments.

No significant administrative costs are anticipated for school districts voluntarily entering into agreements for job training programs funded in part or in whole by a development corporation.
