

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 84TH LEGISLATIVE REGULAR SESSION

February 28, 2015

TO: Honorable Myra Crownover, Chair, House Committee on Public Health

FROM: Ursula Parks, Director, Legislative Budget Board

IN RE: **HB465** by Howard (Relating to the immunization data included in and excluded from the immunization registry.), **As Introduced**

No significant fiscal implication to the State is anticipated.

The bill would amend the Health and Safety Code as it relates to the immunization data included in and excluded from the immunization registry. Under the provisions of the bill, the immunization registry would change from an opt-in registry, meaning a person's immunization information is not retained in the process unless the person or their legally authorized representative consents, to an opt-out registry, meaning that the information would be retained in the registry until there is a request for removal. The Department of State Health Services indicates that the provisions of the bill can be implemented within existing resources. The bill has no direct fiscal implications for the Foundation School Program or the operations of the Texas Education Agency.

Local Government Impact

No fiscal implication to units of local government is anticipated.
