Austin, Texas

FISCAL NOTE, 84TH LEGISLATIVE REGULAR SESSION

May 6, 2015

TO: Honorable Jimmie Don Aycock, Chair, House Committee on Public Education

FROM: Ursula Parks, Director, Legislative Budget Board

IN RE: **HB1227** by Anderson, Rodney (relating to eliminating the requirement that a school district assess the physical fitness of students.), **Committee Report 1st House, Substituted**

No significant fiscal implication to the State is anticipated.

The bill would repeal the requirement that school districts conduct physical fitness assessments for students. Based on the analysis of the Texas Education Agency (TEA), the bill would result in some annual savings because TEA would no longer be required to collect and report physical fitness assessment information. Savings are not anticipated to be significant.

Local Government Impact

School districts would experience some administrative cost savings from no longer having to perform physical fitness assessments and report assessment results to the TEA. These cost savings would vary depending on the size of the district and the number of students assessed for physical fitness.
