**IN RE: HB1337** by Naishtat (Relating to requiring institutions and assisted living facilities to maintain guardianship orders of residents.), **As Introduced**

<b>No significant fiscal implication to the State is anticipated.</b>
---

The bill would amend the Health and Safety Code to require that certain institutions maintain a copy of a court order appointing a guardian of a resident or a resident's estate. The bill would require the Department of Aging and Disability Services (DADS) to inspect a court order appointing a guardian of a resident who is the subject of an abuse, neglect, or exploitation investigation. DADS indicates that it could absorb the costs associated with the bill within its current resources.

**Local Government Impact**

No fiscal implication to units of local government is anticipated.
